

Students Share City Duties For Day

Take Part In Madison
Council Meeting; New
State St. Speed Limit

Observance of Student Government Week reached its peak last night at the Madison city council meeting as city officials shared their duties with Madison high school student council members.

City councilmen passed on ordinance changing the speed limit on State street in Madison to 35 miles an hour from the previous 25. The ordinance was read aloud to the joint session by the student "corporation counsel," Bill Kalchoff.

Madison's "official family" devoted its entire day to the students yesterday to explain officials' individual duties. The program began at 7:30 a. m. with an explanation of the department's activities and concluded at last night's council meeting.

Venice high school students also witnessed their city's operations yesterday, and the two groups met at the Sportsman's club in Madison for a noon luncheon. Over 70 city officials, students and guests attended the event, given by Madison Mayor Stephen Maeras and a Venice Mayor John E. Lee.

Ten Venice student officials attended Madison's council meeting last night. Venice students also attended Friday's regular Venice city council session.

Dog Pound Agreement
In other business at last night's meeting, Madison council members approved an agreement to pay 56¢ or 84¢ of the construction costs of the Madison-Venice humane animal shelter, based on populations. The same share of maintenance and operation costs will be paid. Total cost of construction of the dog pound is \$11,538.

Both the speed limit ordinance and the dog pound resolution were introduced to the council by Alderman Raymond Kozielek, who turned them over to Corporation Counsel Austin Lewis. Lewis subsequently presented them to Kalchoff for reading. Kozielek is chairman of the ordinance committee.

Collections Report
Student Controller Penny Maeras, daughter of the mayor, submitted a statement of collections for Oct. 26 to Jan. 31. The council voted to accept and place on file the following report: retail liquor licenses—\$4,933; business licenses—\$885; dog licenses—\$11; fines—\$1,550; building permits—\$32; insurance premium refunds—\$228; sewer permits—\$19; police car damage—\$200; wind damage to the city hall building—\$109; miscellaneous—\$147; total—\$7,247.

Mayor Maeras and Student Mayor Paul Czervinski called the meeting to order and City Clerk Percy Lux called the roll. Lux then asked Student City Clerk Sandra Consiglio to read the minutes of the Feb. 6 meeting.

Two Boys Caught In Stolen Auto; \$200 Tool Theft

Two 14-year-old boys, one from Madison and the other from Mitchell, are in custody of the county sheriff's office after being arrested in East Alton early today driving a car stolen earlier in Madison.

Authorities said the pair, driving a 1958 blue convertible belonging to Mrs. Glenda Stubbfield, 1909 Rhodes street, admitted breaking into three service stations during the night.

The sheriff's office said location of the break-ins is not known as yet, but the boys are being held for Edwardsville police, who have questioned them concerning a burglary there. The boys said the other break-ins were "somewhere in the county."

Mrs. Stubbfield said the car was taken from the front of her home after 9 p.m. Wednesday.

Electric Tools Taken

Two electric power tools in separate carrying cases and complete accessories were stolen last night from Shepard Refrigeration Co., 2638 (near) Lincoln avenue, it was reported this morning to Granite City police. The tools were valued at over \$200.

Shepard told police his garage and car inside were unlocked. The garage was ransacked by the intruders and taken were a 6½-inch electric saw and case and 7½-inch electric drill and case.

Community Center Looted

Park Supt. O. H. Williams reported to Granite City police Tuesday that Jimmy Griffin, 14, found soda and candy machines damaged at the Lincoln Community Center, 2600 Broadway avenue and Maple street, when he arrived for work at 8:30 a. m. Wednesday.

Burglars took an undetermined amount of money from the soda machine, owned by the Rantf Bottling Co., and pried open the front of the candy machine. The soda machine took nothing, Williams said.

City Drops Plan For Full-Time Engineer

Johnston MFT Contract
Renewed; Solon Partney
Resigns 2 Chairmanships

Granite City's plan of last summer to hire a full-time city engineer is being discarded for the present, Mayor Davis told council members Monday night following a heated debate which ended in a 10-to-6 vote for a one-year renewal of the motor fuel tax engineering contract with the David Johnston firm of East St. Louis.

Committee appointments, approved without debate, were revised by the mayor when Alderman Donald Partney resigned his chairmanships of the Planning and Zoning and the Special Sewer committees.

Partney also took under advisement the request by Alderman Paul Rutledge to be removed from the Finance committee.

Alderman Arthur Wierzer was first to comment when the MFT engineering contract was presented by Mayor Davis. Wierzer said the former Personnel committee had agreed on the selection of full-time engineer and that the mayor's comment of last week that the committee had been unable to agree was in error.

Assistant State's Attorney John Gitchoff (standing) is shown questioning a redhead, Kary Lynn Lang, 22, and a blonde, Geneva Lee Holley, 23, who are seated at tables in the bar room. Two of the men found in the tavern are shown seated nearby, waiting their turn to be questioned.

Broken Sewer To Be Cleaned For TV Inspection

Cleaning and television inspection of the broken sanitary sewer section in the 3100 block of Aubrey avenue was authorized Monday night by Granite City council members at an estimated cost of \$150.

The latest break, discovered Feb. 9, is to be inspected by television camera next Monday, and a report submitted to the council that night, according to the present schedule. The Chicago television-cleaning firm arrived here early this week but was unable to inspect the entire 1130 feet of the line because of mud and sand.

A leak in the TV camera housing developed while the brief inspection was under way, and it was necessary to send the unit to Chicago for repairs. It was returned from A. W. Pearson of the city engineering staff.

Bids For Repairs, Replacement
City Consulting Engineer David Johnston told council members Monday night the closed circuit television inspection will determine how much of the line is to be repaired or possibly replaced.

In answer to queries from council members, he said both repair and replacement bids would be sought after the extent of damage became known.

He explained that because of

City-Built Treatment Plant, Interceptors Less Costly

Levee board contention that program of pollution abatement and interceptor sewers would be less expensive than the report recommended for Granite City by the Citizens' Master Sewer & Drainage committee

was refuted yesterday by G. W. Hoelscher, chairman of the citizen group.

"Construction of the interceptors sewers without the necessary storm water relief sewers would offer no substantial relief to the present backing up of combined sewage, into basements and streets," the chairman said.

"We can't determine the exact basis for the amounts quoted by the Citizens' Master Sewer & Drainage committee," he said, "but we do know the cost figures for construction of both the sewage treatment plant and the interceptor sewers."

The citizen committee's final report and recommendation were presented to the mayor and city council on Dec. 13 and now are under study by a special ad-hoc committee named by Mayor Davis.

Time For Decision
Time is of essence in reaching a decision on a program to be undertaken, since the levee district has been called to appear before the State Sanitary Water Board next Monday to show cause why it has not taken steps to abate pollution of the Mississippi River.

Mayor Davis and Alvin Fields said they will attend the hearing in person if possible. Efforts are being made to postpone the hearing.

Outlines Financing
The mayor met Tuesday night with levee board members and F. E. Wisely of the consulting engineering firm of Horner & Shiffrin, and heard Wisely outline the financing of a pollution abatement system as it would pertain to Granite City if the council decides to become a part of the levee district's overall plan.

(A related story in the column to the right gives an analysis of the Citizens' Master Sewer & Drainage committee's program of financing with figures not in agreement with those presented during Tuesday evening's meeting at the levee board office.)

Child Locks Car Doors
—Police To Rescue

Granite City police went to the rescue of a young mother yesterday afternoon when she was locked out of her car on 15th street near Edison avenue by her small son, about five years old.

Police and the mother pleaded with the youngster to unlock the door without success, and finally an officer borrowed a coat hanger to reach through a small opening.

The youngster even grabbed the coat hanger and it took him about five minutes more to reach the door handle," the officer said. "Finally, I was able to unlatch the door and the woman and child went on their way."

8 Persons Hurt In Area Traffic Crashes This Week

Injuries were suffered by eight persons in six of nine traffic accidents occurring in and near the Quad-Cities area this week.

Minor injuries were suffered Tuesday afternoon by Mrs. Norma J. Handelson, 19, of 1307 Kirkpatrick homes, and her nine-month-old daughter, Cynthia, in a two-car crash on Namoki road at Madison avenue. They were taken by ambulance to St. Elizabeth's Hospital.

Dr. H. E. Hartman, on duty at St. Elizabeth's, said the crash occurred at 2 p.m. today. The driver of the car was identified as Geneva Lee Holley, 23, of 565 Twenty-fifth street, East St. Louis, and Kary Lynn Lang, 22, of 622 Howell street, Cahokia. They are still in custody, pending setting of bonds by Hartman at his office in Granite City at 2 p.m. today.

Further questioning at Edwardsville court this morning was followed by the issuance of warrants by Justice of the Peace Harry E. Hartman, on complaints signed by Gitchoff.

Two young women charged with prostitution identified themselves as Geneva Lee Holley, 23, of 565 Twenty-fifth street, East St. Louis, and Kary Lynn Lang, 22, of 622 Howell street, Cahokia. They are still in custody, pending setting of bonds by Hartman at his office in Granite City at 2 p.m. today.

Branhoff, described as holder of the tavern's liquor license, is being charged with a Illinois law relating to vice offenses, Gitchoff said. Sid Souek, a Michigan truck driver, was released on bond early today after being arrested for patronizing a prostitute. Gitchoff said it is possible charges against others are being studied.

Washington's Birthday Sales Begin Tomorrow

In celebration of Washington's birthday, the Associated Retailers and Civic Association will sponsor a five-hour area-wide sale tomorrow and Saturday, with values ranging from 1-cent loaves of bread to \$3 diamond rings.

Hundreds of items, including both legitimate bargains and "ridiculous" articles, will go on sale tomorrow morning and be sold as long as quantities last or until closing time Saturday.

Maurice Rich, president of the association, said many merchants are offering real merchandise values in limited quantities, one-of-a-kind bargains and in unlimited supplies.

Among advertised items to be sold during the sale are a two-piece living room set for 22 cents; a five-foot catnip—with the grocer paying five cents to whoever takes it; tissues for a nickel; a box, and one-cent cans of milk.

Others include housewares for 19 cents; a pair sheet music for 5 cents; a pair of 97-cent bedspreads; women's blouses for 99 cents; 34-cent shirts and a man-made fur coat for \$3.

Ladies' dungarees will be sold for 19 cents a pair, and boy's records for 99 cents each; men's stretch socks for a penny a pair; carpet sweepers for \$3.95, an electric can opener for \$3.00 and men's slacks at 93 cents a pair.

CANDIDATE for sheriff in the April Democratic primary, Fred Craycraft of Venice.

Craycraft Cites Long Experience As Deputy

Fred Craycraft, 57, of 521 Washington avenue, Venice, a candidate for the Democratic county sheriff nomination, cited long service as a sheriff deputy in a formal statement of candidacy today. He pledged to reveal his income tax returns if elected. One of the first night rider deputies under the late Sheriff Simon Henry, Craycraft served four years as deputy for the Quad-City area under Sheriff Harry T. Hartman and was the local deputy for 18 months under the present sheriff, George Musso. Employed as yardmaster of the Terminal Railroad's Madison yards, Craycraft is a past president and past member of the Venice school board. He is a member of the Venice volunteer fire department and is a past president of the Madison County Firemen's Association. Craycraft served as a state auto license investigator under Secretary of State Edward J. Barrett.

GC Depot, Scott Base To Oppose Water Hike

(Special from Springfield)

The Illinois Commerce Commission announced yesterday that permission had been granted the U. S. Army Corps of Engineers and U. S. Air Force to enter petitions objecting to rate increases being sought by the East St. Louis & Interurban Water Co. The governmental objections will be filed in behalf of the Granite City Engine Depot and Scott Air Force Base near Belleville.

A hearing is scheduled in Springfield on April 3 for objectors who also include the three local municipalities, N-mead township for the Pontoon Beach Public Water District, the Mitchell Public Water District and the Large Water Users Group, comprising industries and businesses of the Quad-City and East St. Louis area. The ICC commissioners in other action yesterday granted a request by the city of Belleville and the St. Clair County Water Users Association, also objectors to the rate boosts for a hearing to be conducted in Belleville. The date will be set later.

GC Real Estate Board Approves County Zoning

The Granite City Real Estate Board has passed a resolution approving the proposed land use and zoning plan for unincorporated areas of Madison county, Board President J. C. Cochran said today. Cochran said the resolution, passed at the board's last meeting, called for the adoption of the plan by the county board of supervisors. "We feel passage of the plan would assure a more prosperous future for all Madison county," Cochran said. The Real Estate Board was the seventh Quad-City area organization to approve by resolution the proposed zoning regulations.

Cosmetic Line Added At Bellinger Hobby Shop

Mrs. Florence Bellinger, who operates the Bellinger Coin and Hobby Shop at Nineteenth street and Niedringhaus avenue with her husband, Harold, has announced the addition of a line of cosmetics to be sold at the shop.

Mrs. Bellinger said she will soon have a stock of beauty aids at the store, and will be out in the community taking orders this week. Cosmetic items not in stock can be secured shortly by special order, she said.

GCHS Speech Students Win Freedoms Foundation Award

The History of Private Enterprise as Exemplified in Granite City," a program compiled and written by current senior speech students at Granite City high school, has won for the school a Freedoms Foundation Valley Forge pilgrimage award. Principal Lawrence McCauley was notified by the foundation yesterday.

The project contains seven large plaques, each an episode in the history of Granite City, beginning to the present time; seven written episodes on the persons who contributed to its growth; and biographies of outstanding pioneer and present day citizens.

It will go on permanent display at Valley Forge, Pa., and become the permanent property of the Freedoms Foundation.

As a reward, one student from the class and one teacher from the school system will make a pilgrimage to Valley Forge and Washington, D. C., this spring as the guests of the Freedoms Foundation.

Madison School Board Appoints Election Judges

Madison's school board appointed six judges for the annual school district election April 14 at Tuesday night's regular monthly meeting.

Judges for Precinct No. 1, Harris school, are Mrs. Dolores Brunice, Miss Margaret Carlin and Mrs. Lenna Williams. Precinct No. 2, Blair school, are Mrs. Jewell Barnes, William P. Boelling and Mrs. Ada L. Walton. The board also voted to pay the judges the customary \$15 fee.

Supt. Wensel E. Brown was authorized to secure bids and estimates of the costs of textbooks, supplies, library materials and equipment needed for the 1962-63 school year and to make purchases on the basis of quality and price.

Brown reported that due to the recent break in the weather, work is moving along at the Louis Baer school's \$55,211 multipurpose room addition.

Public Law 874 Fund.

He also reported a telegram from Cong. Melvin Price stating that the district has received tentative entitlement to \$11,089 under Public Law 874 for the fiscal year, with \$7051 certified for immediate payment. The funds are used yearly for operating and maintenance expenditures.

Brown explained that allocation is based on the approximately 125 Madison school district children whose parents work at such federal installations as the Granite City Engineer Depot. He stated that the money will be placed in reserve.

President John Belcoff and board members present approved a two-day trip to Kenosha, Wis., April 13-14 by the Madison high school band to tour plant facilities of the G. LeBlanc Co., manufacturer of woodwind instruments. While in Kenosha, the student group also will tour the American Motors plant there.

Raise Travel Expenses.

Supt. Brown said that the band has accumulated necessary travel expenses, and each student will pay his own room and board. Chaperones will be provided, Brown added.

The board accepted Mrs. Charlyn Ethington's resignation, effective March 2, as clerk at the Dunbar school. The board also accepted and placed on file applications for cook and clerical positions.

Board members voted to allow school secretaries to attend the Aton Association of Education Secretaries' workshop March 30 at the West junior high school in Alton, if they desire to attend.

January Salaries, Bills

The board approved payment of January salaries totaling \$50,130, including \$40,973 for instruction, \$4849 for custodians, \$2056 for the school lunch program, \$1299 for clerical, \$474 for attendance, \$325 for health and \$153 for legal services.

January bills totaled \$45,600, which included \$29,251 in the education fund, \$9124 in the building fund and \$3525 in the school lunch fund.

The board authorized Illinois Atty. General William G. Clark to act on behalf of the district in legal proceedings for recovery of damages which may have been occasioned by a combination or conspiracy in restraint of interstate commerce in the sale of folding gymnasium bleachers in 1955. Brown explained that the state is acting under anti-trust laws against several bleacher companies.

State Speeding Mishap

A collision of southbound auto in the 900 block of State street, Madison at 2:05 p.m. Tuesday damaged the front of the car of Marcus Dean Roberts, 19, of 1607 Spruce street, and the rear of the auto of Jamie Louise Harris, 912 State street, who had started a left turn.

Trustees, directors and officers of the foundation are notifying the high school of its selection, commented that the project was "an outstanding achievement in helping understanding of the American way of life."

Semester Project.

Speech class students were assigned to do research work in gathering material on the history of the city and private enterprise. They browsed through old Press-Records, interviewed plant managers and the descendants of early settlers and presented speeches before civic organizations during the semester-long project.

Before the project was entered in competition at Valley Forge, the plaques which were a part of it were displayed in the windows at Illinois Power Company.

The seven episodes presented were The Desires, The Founders, The Settlers, The Providers, The Believers, The Defenders and The Resapers.

National AFT Leader Addresses Teachers' Dinner

Approximately 175 members and guests attended the annual smorgasbord of the Granite City Community Federation of Teachers, Local 743, at the GCHS cafeteria last night. Participants included the American Federation of Teachers president, Carl McGee.

Robert Nelson, retiring president of Local 743, announced the program, which opened with the invocation by Mrs. Gilbert Hall. After the dinner Nelson introduced the following guests: Supt. and Mrs. Harold Kellers, Administrative Assistant Earl Lee, School Board President Robert Spengler, Board Member and Mrs. George Stidham, Rev. and Mrs. Vernie Barnett, Mr. and Mrs. Guy Lahr, Jr., Mr. and Mrs. Hall, Megel and Paul Woods, state federation executive secretary. Lahr is a national AFT vice-president.

Mrs. Genevieve Gideon, incoming president, spoke briefly, asking the local to strive for greater progress in the coming year. Megel said teachers are beginning to take their rightful place in society, as shown in the city of New York, where the AFT local has won collective bargaining rights. He predicted that these teachers will win the highest salary increase in the United States.

Megel discussed the problems of speed, languages and automation in the world of today, and closed by asking each teacher to be proud to be a teacher.

AFT members from East St. Louis, Madison, Venice and Cahokia were recognized by the president, who then reviewed briefly the accomplishments of the local during the past year.

The address of the evening was given by Rev. Barnett, pastor of the Netheringham Memorial Methodist Church, who said teachers and others can be growing, alert people by learning from traveling.

He spoke of learning by appreciating the old things, as is done in Europe; by appreciating the beautiful; and by appreciating the history of Europe through its architecture. He expressed hope that the United States, as leader of the free world, will be able to cope with the problems of various races, the problem of hunger in the world and the problem of atheism.

Woods spoke about the state convention this spring, and then installed the following officers: president, Mrs. Emma Schoen; vice-president, Toni Jones; second vice-president, Trefle Cox; recording secretary, Mrs. Beulah Flexter; corresponding secretary, Mrs. Emma Schoen; and treasurer, Mrs. Isabel Schmidt. Woods also presented a gavel to Mrs. Gideon.

Eight New Members

For K. O. C. Degree

Eight new membership candidates will take part in an emphysema ceremony April 8 in East St. Louis and become fourth degree initiates of Knights of Columbus Council 1098. The fourth degree members decided during a meeting last night. Names of the new members will be announced later.

Fourth degree members heard Rev. Sylvester Micek discuss as prominent Glenn's recent orbital flight as it relates to the teaching of the Catholic Church, and noted a donation for purchase of new tables at the Knights of Columbus home.

Fast grand knights of the council will be honored at a banquet tonight at 6:30 at the K. of C. home, and a fast fry will be held there from 4 to 8 p.m. tomorrow.

Two Speeding Fines

Fines and costs levied by Venice Police Magistrate Wesley Edwards Monday evening included \$10 against Melvin Stang, 2218 East 24th street, and \$10 against Fred Flaughner Jr., 2230 East 24th. Both were arrested for speeding in Venice that day.

Communism Course To Cover Economic Problems

"Meeting the Economic Challenge" will be the theme of the seventh workshop session of the Tri-City Chamber of Commerce's pilot course on Communism at 7:30 a.m. Monday at the YMCA club rooms.

John McBride, discussion leader, said the session will be devoted to the problems of unemployment, inflation and growth. It will be the next-to-last meeting of the series.

Two Boys Get Hospital Care For Minor Injuries

Gary Caterson, four, of 2285 Lee avenue, was treated at St. Elizabeth Hospital at 1:30 p.m. Tuesday after he cut his hand on a broken soda bottle. He was released after treatment.

Among those treated yesterday was Kenneth Odom, 15, of 1725 Venice avenue, who required three sutures to close a laceration to his nose received in a school accident.

County Sales Tax Revenue At \$310,000

Madison county's sales tax income for November 1961 tax liability has been certified as \$310,008 by the Illinois Department of Revenue.

The amount increases to \$313,903 the half-cent sales tax revenue derived by the county for the first 11 months of the past year.

Since the tax went into effect in local unincorporated areas Oct. 1, 1959, the grand total is \$310,075, including \$146,613 for 1960 and \$20,558 for the last quarter of 1961.

The \$13,058 November figure compares with \$12,966 in November 1960 and \$9,948 in November 1959.

Dr. Walton To Seek New Hospital Site

Following a meeting with neighborhood citizens last night, Dr. P. W. Walton has dropped plans to build a \$250,000, fifty-bed chiropodiatric hospital on Pontoon road at Wabash avenue.

An estimated 40 persons attended the meeting at the Maryland Real Estate and Insurance Agency, 2166 Pontoon road, which served as an informal hearing on a proposed zoning change which would be necessary before the one-story brick hospital could be erected there.

"While everyone there agreed that it will be a wonderful thing and a beautiful building," Dr. Walton said this morning, "they don't want it there. I see no alternative but to drop plans for building it at that site."

He said Aldermen Ford Johnson and Frank Vesel of Ward 8, which contains the proposed hospital site, attended the meeting. After hearing the opposition of the people present, he said, both indicated they would not support the necessary R-1 to R-5 zoning change.

"I am discouraged, but I have not given up," Dr. Walton said. "The Quad-Cities will be the losers if we don't build this hospital. It will be a unique facility, and bring in many people from outside the area and even out of the state. It is definitely needed here."

The chiropractor said he will seek another location, but has none in mind at present.

Speeding Arrest

Charles Shane, 2536 Washington avenue, was charged by Venice police with exceeding the speed limit at 2:30 p.m. Tuesday. He was released on \$10 bond.

A. C. Allyn Co. Submits Low Bid On Levee Bonds

A contract for the sale of \$1,353,000 in East Side Levee and Sanitary District general obligation bonds was awarded last night to A. C. Allyn Co. and Associates, Chicago, investment firm, on a low average interest bid of 3.3825%, or \$949,433.

Levee board trustees will meet at 1 p.m. Saturday to draw up and adopt the bond sale ordinance.

The Allyn associates were one of three combines, all of Chicago, which submitted sealed bids for the bonds. Others were John Nuveen & Co. with an average interest rate of 3.3825% on interest of \$940,525, and Harman Ripley & Co., 3.3939% or \$952,631 in interest.

Levee board trustees were visibly pleased with the interest rates. Most said they had expected bids of around 3 1/2% interest.

The bonds probably will be printed in Chicago by the low bidder. From the date of issue through 1972 a 3 1/2% interest rate schedule will be followed. Payments from 1972 through 1981 will be at the rate of 3 1/2%.

The bond investment firms associated with A. C. Allyn & Co. in the transaction are Rodman & Renshaw, M. B. Vlek & Co., Provident Bank, Seasongood & Mayer, Ellis & Co., Robert K. Wallace & Co. and Pohl & Co., Inc.

Sale of the bonds will finance 10 levee district projects. Included are replacement of the Terrace land sanitary sewer lines, the direct trenching underpass, the construction of storm water drains in Venice and Madison, and the construction of an outlet channel to the Mississippi River at Venice.

Upon sale of the bonds, the bonded indebtedness of the district will be \$12,605,412, according to Levee Board Clerk Ben F. Day.

Scenes During Vice Raid Last Night At County Tavern

By Press-Record Staff Photographer

VICE RAID staged last night by the sheriff's office and state police in cooperation with the state's attorney's office.

The view at upper left shows Sheriff George Musso (left) questioning Harry Branhoff (center), licensee of the Alibi Lounge tavern on Collinsville road while one of the tavern patrons looks down a hallway toward back rooms.

Assistant State's Attorney John 'Gitchoff' (left) and Sheriff Musso are shown in the photograph at upper right. They are in one of two bedrooms immediately behind the bar section of the establishment.

At lower left, Geneva Lee Holley, East St. Louis, who was arrested, is shown near the bar, looking toward a table on which are located her purse and the purse of another suspect, Kory Lynn Long, Cahokia. Both were charged with prostitution.

At lower right, Musso points and rests his hand on Branhoff's shoulder as the investigation proceeded. The bar was found in operation, as is evident from the bottles and glasses along the counter.

Jaycees Announce Two District Candidates

Two Granite City Jaycees announced last night they will be candidates for district national director.

A special program was presented at the meeting by Leo and Jack Row, a father and son team, who demonstrated the changes in recordings and record players from the earliest machine to the most modern in hi-fi and stereophonic equipment.

The local Jaycees also were host to an inter-club visitation group from Alton, who presented a nine-foot mechanical man to be taken in turn to another Jaycee organization.

New Astronaut Stamp On Sale In Area

A four-cent stamp commemorating the first orbital flight of a U. S. astronaut issued simultaneously with the completion of the flight Tuesday went on sale at the Granite City and Madison post offices yesterday.

Postmaster W. T. Overbeck of Granite City said 20,000 of the stamps were received, and were selling rapidly, although no lines formed at the stamp windows. Over 100 calls inquiries were received Tuesday, he said.

The Madison post office received 5000 of the special commemorative stamps, and Postmaster Harry Johnson said there also was a big demand. The stamp portrays a capsule in space with a portion of the earth in the lower left corner of the design. The words "U. S. Man in Space" are superimposed over the globe and "Project Mercury" is across the bottom of the stamp.

GCHS Seeks 9th Straight Sectional Wrestling Title Here On Saturday

Southwestern conference schools Granite City and Belleville held a list of 22 central Illinois high schools which have qualified wrestlers for the IHSA sectional eliminations, which begin at 1 p.m. Saturday in the GCHS gym.

Both schools qualified nine wrestlers in district competition last week, with the Warriors' qualifiers all winning district championships. The Maroons have six district champions. Winners and runners-up in 12 weight divisions were eligible to advance to sectional competition, final step before the state finals in Arlington Heights March 2-3.

Bill Schmitt's grapplers will be after their ninth consecutive sectional crown, and an unprecedented 18th sectional title since the school began competing on an interscholastic level.

The Warriors and Proviso East of Maywood are currently deadlocked in total number of sectional titles with 17 each. Granite City was last defeated as a team on the sectional level in 1953, when the Redmen finished second behind Wood River.

Saturday's competition will match wrestlers who finished first or second in their district divisions at four district tournaments — Wood River, East St. Louis, Springfield and Decatur.

District Winners
Granite City won the team title at Wood River and Edwardsville was the runner-up at East St. Louis. Belleville and East St. Louis were the 1-2 finishers. Jacksonville and Quincy emerged as the top two teams at Springfield, while Decatur Eisenhower won the team title.

Madison Ties 22nd Knot In Unbeaten String

Freeman Leads Trojans To 82-49 Cahokia Win; Finish 10-0 in MWC

It is not often that a team goes through its conference schedule without a defeat, but Madison's basketball Trojans did it last year and they accomplished it again here Tuesday night by dupping second-place Cahokia, 82-49, in the final league game.

The Trojans now have achieved 10-0 MWC records for both seasons Coach Earl McClanahan has been at the Madison helm. Even more convincing as for a Madison's current cage prowess is the record of 22 wins in 22 games, a feat unique in the state.

Led by Don "The Ed" Freeman with 31 markers, Madison's third-ranked quintet in the state rolled past Earl Lee's Commodores for the third time this season. McClanahan's race horses, the only unbeaten team in Illinois, are rated No. 1 in the St. Louis metropolitan area.

Graville Breaks Slump
It was the 15th time this year that McClanahan's squad hit 80 or more points in a contest. Mick "Hawk" Graville, making numerous steals via Madison's all-court press, tallied 18 points for the Trojans. It was the first time he had scored in the first half guard hit double figures.

Experiencing a scoring slump, Graville's last double-figure performance was Jan. 26 when he pumped in 12 points at Cahokia. Freeman, who netted only one field goal in the entire first half, poured in 21 of his 31 markers in the last half.

Not Home Finals
Tuesday night's game with Cahokia was not the home finale for the Trojans despite "what their printed schedule indicate. The postponed Dec. 22 home encounter with Triad will be played next Tuesday night. Madison's last regular season game is March 2 at Belleville.

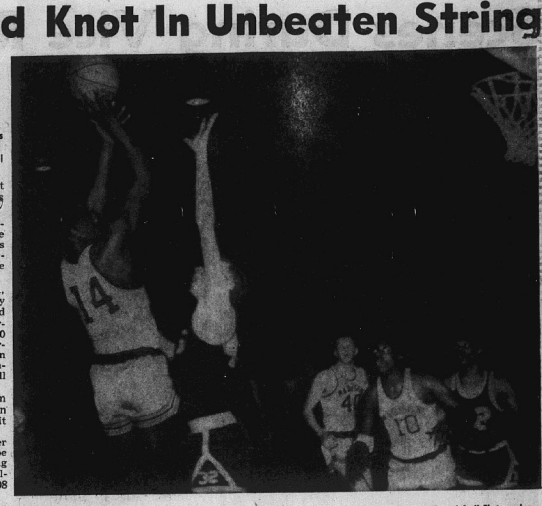

"We beat ourselves," remarked Coach Lee. "My boys outplayed Madison in the first quarter but couldn't hit the basket." Cahokia's score had the Commodores connecting on four of 17 field goal attempts while Madison countered with four of 10. The Trojans grabbed an 18-9 first-period lead and widened the margin to 41-19 at the half.

Cahokia's best quarter was the third when the Commodores tallied 18 points only to be outscored by three points and trail 62-37 going into the final quarter.

5 S.W.C. Coaches Present
The Wood River regional tournament is not far off, as evident from the number of scouts in the stands. Five Southwestern Conference schools were represented at the game.

Viewing the contest were Head Coaches Andy Sullivan, Granite City; Jerry Turner, Belleville; Bob Horton, Wood River; and Pick Dehner, East

Two more points for Madison's Don "The Ed" Freeman (with ball) early in the fourth quarter of Tuesday night's 82-49 Trojan win over Cahokia at Madison. Freeman poured in 31 markers to lead his teammates to their 22nd consecutive victory. Other players are: Cahokia's Larry Lentz (attempting to block the shot), Madison's Terry Andrews (40) and Bob Haynes (10) and Comanche Jim Thomas (22).

Venice Upsets Aviston In Overtime, 53-52; Finishes 4th In Final MCM Standings

Jerry Cicio hit a driving layup off a screen with two seconds left to lead Venice to a 53-52 overtime victory over Aviston Tuesday night as Venice wrapped up its conference basketball season at home tomorrow night by playing St. Peter & Paul of Waterloo. The Devils then enter the Roxana district tournament, where they are paired against Western Military Academy in the first round.

The Venice junior varsity boosted its record to 12-3 Tuesday night by beating Aviston 53-52 in overtime. The final MCM season both teams; Venice finished with a 5-7 record and Aviston at 4-8.

The win enabled Coach Bill Ohendorf's club to move past Aviston into fourth place in the Madison-Clinton-Macoupin counties conference. It was the final MCM season for both teams; Venice finished with a 5-7 record and Aviston at 4-8.

The last team, which had beaten Venice earlier on the Red Devils' own floor, 68-44, had to come from behind in the last two seconds of regulation play Tuesday night to force the game into an overtime period.

50-50 Deadlock
It took Tom Von Hatten's desperation 20-foot jump shot to even things up at 50-50 just before the final buzzer. Von Hatten's basket pulled Aviston even for the second time during the evening.

Venice, hitting less than 30% of its shots in the first half, managed to edge ahead by as many as eight points in the third quarter, after trailing 11-13 at the end of one period and being held to a 25-25 standoff at halftime.

A 40-34 third quarter lead for the visitors began to fade in the final period as Aviston threw on the full-court press.

Venice shot a more respectable 48% from the field in the second half, with Don Devany picking up 19 points after being held to just three over the first two periods.

Aviston grabbed a basket with 26 seconds left in the overtime period to edge ahead 52-51 and set the stage for Cicio's game-winning two-pointer. Cicio had only one other field goal in the game.

End Season Tomorrow
Venice, which won four of five games in the district tournament, will play St. Peter & Paul of Waterloo tomorrow night.

GC Fire Dept. Ready With New Deluge Gun

Granite City fire-fighting forces have received aid with the acquisition of a new \$440 deluge gun. Granite City Fire Chief Elijah King and Assistant Chief Curtis Donahoe said that the gun will be kept at the main station but will be available for use anywhere in the city.

The gun may be used with anyone of seven different nozzles. The size of the nozzle opening determines the number of gallons of water that can be pumped through in a minute. The department has six straight-stream nozzle attachments and a fog spray for varying the length of the spray.

Using 100 pounds of pressure the straight-stream nozzle can pump anywhere from 667 to 1506 gallons of water per minute, depending on the nozzle size. The gun is fed with two lines.

Can Boost Pressure

With 100 pounds of pressure the gun can throw a pattern across the width of a building. Using a 1 1/2-inch opening, it can throw a spray vertically 100 feet and 91 feet horizontally. The pressure also could be boosted to provide more power.

"The straight stream nozzle would be used for outside fire," said Donahoe. "The fog pattern is for inside fires. Of course we couldn't drive the truck inside a house but the gun will be used for larger fires. We can hook it to the fire truck to pump more water and create a greater cooling effect."

Mounted on the flat bed of a pickup truck, the deluge gun can be operated by one man but normally is handled by two firemen. The nozzle stand for the truck was designed by Granite City fireman Charles Ready.

Annual GC Fire Report Filed, Loss Down

Fire alarms and the amount of loss incurred in Granite City due to fires was down last year compared to 1960. Granite City Fire Chief Elijah King reported to city council members Monday night.

In submitting his annual report, Chief King listed 389 alarms last year as compared to 456 the year before. Total loss for 1961 was \$119,774 whereas 1960 fires claimed \$159,500 in damages.

Of the 389 alarms last year, 337 were fire calls, 23 false alarms and nine inhalator calls. Firemen traveled 1693 miles to answer the calls, saved 875 feet of ladders laid 47,775 feet of hose and ran pumps for 382 engine hours.

There were 24 industrial plant fires last year but the estimated loss is unknown, Chief King said. This figure is three more than 1960.

The average loss in the 337 fire calls was \$355. Contents loss was greater than damage reported to the buildings, \$59,017 to \$57,337. However the value of the buildings that were damaged was \$124,205 and the value of their contents was \$204,520.

Automobiles, valued at \$27,356, caught fire and \$3440 damage was estimated.

Venice Police Enrolled In U. Of I. Training

Venice Police Patrolman Merwyn Langston is attending the first session of a 60-hour general police training course at the Alton center of Southern Illinois University today. Assistant Police Chief John Patton also is scheduled to attend future sessions.

The course is under the direction of the Police Institute of the University of Illinois, and is offered at a cost of \$10 per man. The Venice city council approved sending two men at their Jan. 19 meeting.

VETERANS' BENEFITS

Veterans' benefits first took the form of war pensions in Europe in the late 18th century. The concept of community responsibility for those who served in wars was brought to the United States by the Pilgrims.

Prather Teachers Edge Lettermen In Cage Game, 56-55

The Prather junior high school faculty edged members of the school's lettermen's club 56-55 last night in a basketball game played before 600 parents and friends at the Prather gym.

Nineteen lettermen in all sports at the school played in the game, and the faculty team was made up of 10 teachers. Cheerleaders were members of the lettermen's club, as were a group of "girls" who performed the twist as a part of halftime entertainment.

Joe Martinez and Pete Robinson, the latter a student teacher at Prather, staged a tumbling and trampoline exhibition at halftime. The school plans to make the game an annual affair, with proceeds going to a lettermen's club, known as the "Chieftans," for use in various school-benefiting projects.

Members of the faculty team were Oscar Allison, Vasil Efthimoff, Pete Robinson, Bob Zelenitsky, Maurice Hemphill, Bob Brackett, 213, Tom Bradley 222, Ted Vrenick 203, 208, Roy Mitchell 215, Clarence Miley 202, Jerry Cooke 200, Al Knackstadt 208, Leo Stanton 234, Arle Mercer 203.

Plaza Pizza Edges Farmers In Senior Teenage Playoffs

Charlie Orr's two free throws with 30 seconds remaining gave Plaza Pizza House a 52-50 win over the Farmers in last night's district Senior Teenage League play-off championship game at Nemo's school.

Members of the B Division with a 9-1 mark, Plaza Pizza was led by Steve Schardon, who probably made game scoring honors with 19 points. Bill Abernathy added 10 for the champions.

Unable to find the range in the first quarter, the Farmers netted two points in the first seven minutes of play and trailed 10-2. The score at the half was 22-14 in favor of Plaza Pizza.

Paced by Gary Cusber and a Harry Squires with 16 points apiece, the Farmers pulled within four points at the end of the third period, 34-30. The losers were the A Division kingpins in an 8-2 regular schedule mark.

Classic League Playoffs Tonight

Champion Ragan Lumber will meet fourth-place Freidman's tonight at 7 o'clock in the park district's first-round play of the Classic League playoffs at Prather junior high school.

In the second game tonight at 8:15, second-place Spangler Insurance clashes with Bowland, the third-place finisher.

Community Concert Monday To Feature 'The Theatre Men'

The third in a series of four 1961-62 musical programs sponsored by the Tri-City Community Concert Association will be presented at 8 o'clock Monday night at the Granite City high school auditorium, with "The Theatre Men" vocal ensemble as the attraction.

Directed by Thomas MacBone, who is also featured tenor soloist with the group, the ensemble has 10 members, including lyric soprano Margaret Lukaszewski, pianist Irene Albrecht, Miss Lukaszewski has sung with the Chicago Lyric Opera for the past four years and Mr. MacBone was soloist on

three occasions last season with the Chicago Symphony Orchestra. Together with the male octet which makes up "The Theatre Men," they made a five-week tour of the Pacific coast in 1960 and will again return to the west coast this season.

Last season, the group made 16 concert appearances in Eastern Canada and five in Florida, plus a tour of the west and south.

In its appearance here Monday, the group will sing "theatre music" varying from grand opera choruses to the works of Rogers and Hammerstein, with several art-songs and ballads intended for variety.

WASHINGTON THEME AT PHEBEAN CLASS MEETING

A George Washington theme was carried out during the luncheon course and in table decorations for the monthly meeting of the Phebean Sunday school class of the First Baptist Church Tuesday evening.

The hostess, Mrs. Orell Walton and Mrs. Veda Bolin, did the decorating and serving.

Mrs. Kenneth McDaniel, class teacher, opened the meeting with prayer at the educational building.

The meeting was presided over by Mrs. Veda Bolin, who is in charge of a short business meeting.

Plans were made for the group to motor to St. Louis for the next meeting March 8 at the home of Mrs. Othella Nabe, a former class member. Mrs. Nabe attended the meeting held in Madison when possible and entertains the group in her home annually.

MRS. BARR HOSTESS FOR CLASS LUNCHEON

Betty Barr was hostess to the Bethany Sunday school class of the First Baptist Church Monday evening. The meeting was opened with prayer by class teacher, Mrs. Charles Yeach.

The motto, class aim and Scripture were given in unison prior to the devotion for the month, "The Road of Life," given by Mrs. Gertrude McMurray.

Roll call was answered with obstacles to Christianity named by Mrs. Evelyn Roney, Mrs. Grace Hamilton, Mrs. Ethel Stone, Mrs. Virginia Ditch, Mrs. Gertrude Ashford, Mrs. Emma Dillman, Mrs. Bernice Whitten and Mrs. Hilda Jackson.

The hostess served a luncheon immediately after the business meeting, which was closed with prayer. The next meeting will be held March 13.

Den Three of St. Mary's Cub Pack 47 met Tuesday afternoon at the home of the leader, Mrs. Anthony Ratkevich, 1608 Fifth Street. The opening prayer and the pledge of allegiance were given by Russell Hughes.

The group worked on the blue and gold banquet in March. A patriotic theme will be followed by Birthdays of John Papa and

nouncing the birth of their first child, a son, born Feb. 13. The baby weighed six pounds, six ounces, and was named Thomas Eugene Voegle.

The mother and father are both graduates of the University of Oklahoma. Mr. Voegle is a member of the Altus Air Force Base band and is a member of the Altus Air Force Base band.

Motoring to Carbondale for the past weekend were Phyllis and Philip Smith, Marie Sham-bro, Jeanette Cicio and Jim Ebersole. They returned home Sunday after visiting Judy Edwards, Anita Swartz and Neil Sherry, all students at Southern Illinois University.

District Engineer Stages Flood Rehearsal

Following close upon the heels of acres of ice which tested every ingenuity of the engineers and river people, comes another natural sequence, but this time, not a reality, Col. Alfred J. D'Arzoz, district engineer, St. Louis, said today.

"Many people have been expecting that the heavy ice, snow melt, and possible rainfall may create a high water situation this year. While the Corps of Engineers sees nothing at this time to indicate flood, they are, nevertheless, engaged in their own 'practice flood,' the Colonel said.

"Success in fighting a flood in reality depends largely upon our rehearsal for a command performance." Yesterday, problems were prepared by the staff managers of the practice flood to put the staff actors through their paces. They were given real tough problems, not fantastic conditions that would never happen, but a set of real conditions that could very well happen. Progressively, other envelopes are opened, stating conditions, to further complicate the situation and to make the veteran flood fighter shudder.

"To start with, the stage at St. Louis was assumed to be 38 feet and that stage is just three feet below the 1844 flood of record. Predictions in the initial conditions setting up the practice flood indicate definitely that the greatest flood record would be surpassed. Monitors are looking over the shoulders of the operators to appraise performance."

Col. D'Arzoz said if the operators do not parlay a "high C" or make a "B," they will be considered to be well east for a premiere performance if this area should be chosen by nature as a locale.

Safety Council To Hold Noonday Meeting

Merrill L. Cox, president of the Quad-Cities Safety Council, announced today the council will hold a noonday meeting next Wednesday at the Elks Club.

In addition to hearing reports from standing committees and discussing plans for Safety Week observance, the council will preview a film, "The Six Wheel," which will be acquired and made available to local organizations if approved.

Charles Pogorelec during February were observed at the meeting. A cherry cake baked by the den mother was served for the birthday observance to the honored guests and Steve Patterson, Thomas Friend, Ronald Warchol, Daniel Sueich, Russell Hughes, Richard Scott and the den chief, Tom Honerkamp. The meeting was closed by Thomas Friend with the "living circle."

NEW ENGLAND DINNER

Mrs. Sandra Bray served members of the "Twilight Pinch" club with New England dinners upon their arrival at her home in Belleville Monday evening. The dinner consisted of corned beef and cabbage, prepared by the hostess.

The group played pinocle for the remainder of the evening, with prizes being won by Mrs. Carl Dorough, first; Mrs. Lucille Broyles, second; Mrs. Elita Wambacher, third, and Mrs. Berce Townsend, low. Others playing were Mrs. Marie Miller, Mrs. Pauline Holman, Mrs. Burt O'Connell and Mrs. Julia Dent.

Mrs. Dent has invited the club members to her home for the next meeting, which is to be held March 12.

The blue and gold banquet to be held by St. Mary's cub scouts on Wednesday, May 10, extending at a weekly meeting of Den Two at the home of the den mother, Mrs. Dora McFarland, 2405 Fourth street. The meeting was opened with prayer and the pledge of allegiance to the flag.

A project is being worked on at the meetings with the assistance of the den mother and den chief. Refreshments were served by Mrs. Dent and the den chief, Kevin Martin, and denner, Frank Dent, to Raymond Miller, Raymond Baldwin, Kenneth Brock, Edward Bonk, Kevin McIvor, Kevin McFarland and Joe and Jimmy Dent.

School Dropouts Topic Of McKinley PTA Meeting

A monthly meeting of the McKinley School PTA was held Tuesday evening at the school. The opening ceremony was by Browlie Troops 235 and 108, who led the pledge to the flag and the song "America." Mrs. Joline Smith and Mrs. Madeline Pope are leaders of the two troops.

A short business session was conducted by the president, Mrs. Imogene Hamilton, and plans were made by members to attend the Area Council Recognition dinner March 1.

Ralph Puhse was introduced and explained the support needed in starting a Cub Scout Pack. Vasil Georgoff, program chairman, presented Joseph Pukack of Madison County Coordination Guidance Services who explained what happens to children who drop out of school before completing a high school course, and a film entitled "Dropouts" was shown. According to the speaker, during the next summer nine of the high school districts in Madison county will conduct a survey to determine the status of students who drop out before graduation.

The attendance banner and prize were won by Mrs. Pearl Albom's fourth grade room. Refreshments were served by the third grade mothers to approximately 100 parents and teachers. Table decorations were in keeping with George Washington's birthday.

MRS. VANCE HONORED
ON 89TH BIRTHDAY

A host of relatives and friends called at the home of Mrs. Ed Vance, 2022 Dewey Avenue, in honor of her 89th birthday Sunday.

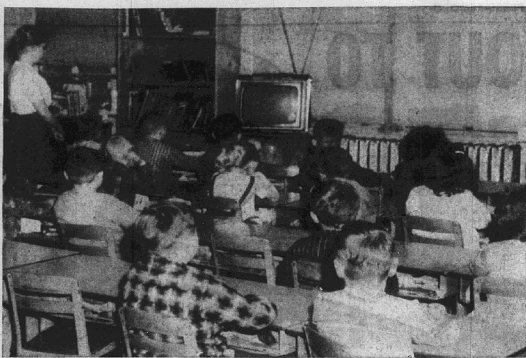

Mrs. Vance has three daughters, Mrs. Harold (Hazel) King, Mrs. Iva Lee McDowell and Mrs. Terry (Marie) McGovern.

She has four grandchildren, Mrs. Harry (Ila) Lacunak and Clarence, Dean and Eddie McGovern. She also has nine great-grandchildren.

Mrs. Vance received many cards, gifts and telephone congratulations. She was born Feb. 17, 1873, at Palmyra, Ill.

The Mount Zion General Baptist Church Youth Fellowship met Sunday night for a program, "Do It Now," led by Mike Levart. Diana Hahn introduced the theme and led songs, and Scripture was read by Bill Jackson.

A playlet, "The Now of Salvation," was given by Mary Goodall and Pat Sipes. "The Now of Surrender" was presented by Eddie Ferguson and Bruce Martin, and the "Now of Service" by Larry Goodall, Diana Hahn and Mike Levart. After a closing song, prayer was offered by Mary Goodall.

BETTER THAN CARTOONS — That's what 30 first graders said in Miss Janet Wollen's room at McKinley school Tuesday while following Astronaut John H. Glenn's historic three-orbital flight on television. Miss Wollen, left background, said that one of the mothers was loaned the TV set while attempting to rent it from a local dealer. The scene was repeated in most schools throughout the area.

Dr. Kathleen Jones Primary Sunbeam of Second Baptist Church met Tuesday afternoon for the fourth session of a home Mission study, "A Kite for Billy Ching." Each one present used water paints and made Chinese figures and numbers.

Songs were sung, and prayer was given by Mrs. Betty Lewis, who also told the story. On display were an incense burner and pictures of idols which were discussed in the story.

Bible verses were unscrambled, and a letter was written to Rev. Peter Chen, a missionary to the Chinese in San Francisco. Plans were made for a Chinese tea party next Tuesday, when the study will be completed.

Closing prayer was by Frances Welty and Mrs. Shirley Mayberry. Others present were Sheila Hubbard, Danny Bugg, Gary Lewis, Larry Anderson, Conky Barnett, Nicki Tooley, Robert McCord, Allen Newberry, Linda Barrett, Denise Whitson, Debbie Withers, Michael Reynolds, and visitors, Tommy Keel and Mrs. Mayberry.

SOCIETY

PTA, Style Show Plans Made By Coolidge Board

A combined meeting of the executive board of the Coolidge junior high PTA and the spring fashion show committee of the PTA was held Monday evening at the school, with Mrs. Valerie Evenden conducting the executive board meeting and Mrs. Hildred Lewis the fashion show meeting.

A discussion was held on the possibility of putting the name, Coolidge, on the school building, but was deferred until the annex is built. Then the name can be entered properly, it was pointed out.

An anti-communism program will be presented by Clifton E. Blankenship of the A. O. Smith plant at the PTA meeting on Monday evening, and the past presidents will be honored as part of the "Founders' Day" program. The Latin American rhythm ensemble, under the direction of the band director, Robert Todoroff, will provide a musical interlude.

Mrs. Olivia Kunneman, Girl Scout representative, announced that "Citizens Day" will be observed on March 13 when the scouts will have a flag ceremony. Mrs. Evenden reported that the Area PTA Council will give a leadership training course beginning March 17 and running to April 7, with the sessions beginning at 12:30 and lasting until 4:30 p. m. on Saturdays. She explained that the enrollment fee will be \$2 and may be waived. Paul Welsh, registrar, certificates will be awarded at a club dinner April 9.

Instructors for the course, according to Mrs. Evenden, will be Supt. Harold M. Kaiser, M. A. Witternberg and Earl A. Lee, school district administrative assistants, and Mrs. Kathleen Todoroff, area council president.

After the executive board meeting, Mrs. Lewis reported that over 100 students reported at the school last week to sign up as models for the fashion show, and a large number of boys have volunteered their services.

Ronald Ward, art instructor, reported that his classes have volunteered to donate the backgrounds for scenes. He presented preliminary sketches of his plans for the scenery. He requested that red, white, blue, flowers, wire coat hangers, heavy twine, foliage, paint and glitter be donated by the PTA members and students.

Mrs. Lewis said that organ music will be played during the show and during the intermission, and that Mrs. Loreta Ridge has offered to coach the girls in modeling procedures. Mrs. Elva Mae Spiceland and Mrs. Evelyn Lane reported that they will be at the school every Tuesday after classes to collect ticket money from those selling tickets.

Party Given At Nursing Home

A party for patients at the Madison Nursing Home was given last night by the Eagles Auxiliary.

Ice cream and cup cakes were served to 29 patients and the birthdays of Mrs. Vera Campbell, Mrs. Elizabeth Byrnes, Mrs. Laura Belle Arnold, Mrs. Vannie Wright, Lloyd Wright, Ben Georgeoff, Tony Holovich, Valentine Krueck and George Savo were celebrated. They were presented with gifts. Mrs. Kathryn Clark, Nursing Home chairman, was assisted by her daughter, Miss Sharon Clark.

Annual Banquet Of Niedringhaus School Cub Pack

Cub Pack 12, sponsored by the Niedringhaus school PTA, held its annual blue and gold banquet Tuesday evening at St. John United Church of Christ.

The Webelton, under the direction of Joe Conway, gave the opening ceremony and Rev. Paul Surbey offered the invocation.

Edwin Seibold, chairman, presented the following clubs with award badges: Robert Jones, David Gault, Charles Fry, David Bartels, Danny Engle, Larry Hacke, Richard Huchings, Scott Wilson, Danny Conway, Kenneth Denison and Jeffrey Jolly. He presented every one of Mrs. Bernice Friedman, Mark Friedman, Jeffrey Jolly, Timmy Schwendeman, Danny Rapoff, Terry Mercer, Bill Kratz and Curtis Walker.

The evening's entertainment was provided by the Indian dancers of Explorer Post Six under the direction of their advisor, Don Bush.

Seibold introduced all the den mothers and presented gifts to two retiring den mothers, Mrs. Kenneth Knox and Mrs. Della Seibold.

The table decorations, made by the cubs, were in keeping with the Presidential theme, and each centerpiece was different. There were replicas of Uncle Sam, Mount Vernon, the White House, Washington monument, log cabins, busts of Washington and logs with the insignia of the Webelos.

Those seated at the head table were Mrs. and Mrs. Seibold, Rev. and Mrs. Surbey and children, Janet and Paul, Gary Rainwater, neighborhood commissioners and Mr. and Mrs. Knox and sons, Larry and Randy. Seibold announced that the committee will meet March 7, and the next PTA meeting will be March 27.

IT TAKES REAL KNOW-HOW TO BUY APPLE SAUCE

Through a good part of recorded history, the apple has held first place among European fruits, growing everywhere from the Caspian Sea to the Atlantic Ocean. Apple seeds reached America around 1600 and their culture spread rapidly. As the first settlers moved across the continent, apples went with them, most farms having their own orchards. They were first canned about 1860. Today, Maryland, Pennsylvania, Virginia, New York and California produce most of the apples used in commercial pack apple sauce. Our buyers display their know-how in selecting the right blend of apples from the right state. They know you do not want sauce too tart or too sweet. They make sure that the apples were carefully sorted, washed, peeled and cored, and orchard-ripe. Quick to serve, apple sauce will improve almost any meal. It is constantly growing in popularity, as an easy way to "dress up a meal."

TAX FACTS

By Maurice W. Scott, Executive Secretary
Taxpayers' Federation of Illinois

"Anybody want to propose a new local tax? Well, don't," Maurice W. Scott, executive secretary of the Taxpayers' Federation of Illinois, said today, pointing out citizens of the state now pay local property taxes for expenses of counties, townships and road districts, cities, villages and incorporated towns, sanitary districts, park districts, fire protection districts, airport authority districts, hospital districts, mosquito abatement districts, T. B. sanitarium districts, public health districts, library districts, river conservancy districts, cemetery districts, water authority districts, surface water protection districts and school districts.

"Not only have the types of districts increased," Scott said, "but the total amount of taxes extended increased 119.3% from 1950 to 1960." Much of this increase can be attributed to taxes which the people have voted on themselves. Some can be attributed to increases in population and these are reflected particularly in urban areas. In schools, increased enrollments and enrichment of curricula account for part of the increase.

Taxes for county purposes increased 51.5% from 1950 to 1960; townships and road districts increased 65.5% in that same period. Increases in population in cities, villages and incorporated towns apparently account for part of the increase of 106.9% in tax extensions for these purposes. While total population in Illinois increased 17% from 1950 to 1960, urban areas showed an increase of 20.4% in population during the same period.

School districts had an increase of 155.3% in taxes extended for all local school purposes from 1950 to 1960. During that same period, their increase in enrollment was 51.7%. School district tax increases are due in part to increases in taxes voted at referenda, bond issues and curricula.

Sanitary districts' increases amounted to 79.4%; park districts, 74.8%; fire protection districts, 246.4%; airport authorities, 117.5%; forest preserve districts, 68.2%. The number of fire protection districts has increased from 316 in 1950 to 612 in 1960. Airport authorities increased from 13 to 23 during that same period.

Other special districts, such as hospital, mosquito abatement, river conservancy districts, etc. increased tax extensions 153.3%. This increase might also be attributed largely to increased number of districts providing services which taxpayers have authorized by referenda, Scott said.

"All too many times," the Taxpayers' Federation points out, "taxpayers blame the officials for increased taxes which they have authorized by their own votes."

Handicraft Club Honors Member

The Handicraft Club met last night in the home of Mrs. Paul Danco, 2309 Gary avenue.

The birthday of Mrs. Gladys Skubish was celebrated by the club and she was given a gift.

The refreshment table held a large decorated birthday cake and those served were Mesdames Mary Bridgick, Alex Severson, Kate Pederson, Vivian Vlod, Ann Mega, Irene Kadane, Sue Perdicaris and the hostess.

Prizes were won by Mrs. Fedora and Mrs. Vlod.

Mrs. Casner Skubish, 2701 Lincoln avenue, will be the next hostess.

Arney Released On \$5000 Property Bond

Annew Arney, 34 of 719 Twenty-eighth place, was released today after making \$5000 property bond before Police Magistrate Andrew Gasparovic Jr. Charged with assault with intent to kill, Arney was returned here from the county jail yesterday afternoon.

Arney was wounded while exchanging gunshots with Patrolmen Frank Harris and Al Diak early on the morning of Jan. 22 at Arney residence. Harris was wounded when Arney cornered the two policemen on the enclosed front porch.

Avocado-N-Eggs

Place avocado halves in pan with about 1/4-inch water and warm in 325-degree (moderate-slow) oven about 15 minutes. Fill halves with scrambled eggs and garnish with anchovy fillets. If anchovies are omitted salt eggs generously.

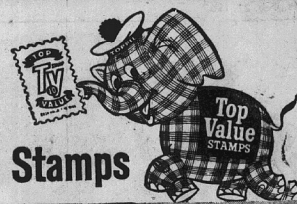

To prepare avocado half-shells easily, cut fruit lengthwise into halves. Twist halves in opposite directions to separate; tap seed with a sharp knife and lift out. Sprinkle fruit with lemon juice to prevent darkening.

The soybean is the world's most important bean, according to the Encyclopedia Britannica.

SOCIETY

Nameoki School
PTA Unit Honors
Past Presidents

Annual observance of "Founders' Day" was held at the February meeting of the Nameoki PTA Tuesday evening at the school, with Don Kopp, president, conducting the meeting and program. The Brownie troop sponsored by the PTA presented the colors and led the pledge of allegiance to the flag.

Mrs. Frank Farrow read a brief description of the beginning of PTA in 1897. The names of past presidents of the Nameoki PTA were read. As their names were called, the ladies were presented with corsages and the gentlemen with boutonnieres. For their present, a carnation was placed into a vase in their honor. Six children of the school, Cindy Kopp, Mark Belcher, Robin Champion, Connie Lorton and Jimmy and Johnny Rehagen, did the honors.

Past presidents attending were Mrs. Bernadine Holtzner, Mrs. Elva Mae Spickard, Mrs. Charlotte Thompson, Mrs. Howard Strunk and Herman Greve. Kopp announced that the annual basketball bazaar will be held tomorrow at 6 p.m. at the school. The games will be between the fifth and sixth grades. He also reported that the PTA has purchased and presented two TV sets to the school.

Kopp read a letter from George T. Wilkins, state superintendent of public instruction, regretting his inability to be the evening guest speaker and introducing Olin T. Stead, director of instructional services. Stead spoke on "Operation Function and Responsibilities of the Office of the State Department of Public Instruction." After his talk, a brief question-and-answer period was held.

Mrs. Beverly Foot's first grade room won the prize for having the largest attendance of parents at the meeting. Refreshments were served by the first grade room mothers.

B&PW Honors
Mrs. Reese
Approximately 40 members and guests attended the monthly dinner meeting of the Quad-City Business and Professional Women's club held at the Ross Bowl last night with Mrs. Lottie Schuster, international relations chairman, in charge of the program. Dinner was served at 6:30.

Mrs. Verna Tenzile, president, conducted the meeting and special guest, Mrs. Bessie Morgan Reese, the first woman to be honored by the club as an "outstanding woman of Granite City," was introduced. Other guests were Mrs. Laura Pfaff, swimming instructor at the YMCA, and Mrs. Lillie Chaboud.

The tables were decorated with flags of other countries, and Mr. and Mrs. Wayne Carle, teachers in the local school system, entertained the group with pictures of England, France, Ireland, Scotland, Italy and Switzerland taken on a recent tour of Europe.

The club members were reminded of the spring meeting of District Nine, Business and Professional Women, in Jerseyville, March 18, and the state convention in Florida scheduled for April 26-29.

Stop Sign Charge
A. S. Chandler, 23, of the Granite City Engineer Depot, was arrested about 1:30 a.m. today by police on a charge of failing to observe a stop sign at Johnson and Nameoki roads. His posted his driver's license at bond.

Uram On TV Panel For Discussion of Schools

Wilbur R. L. Trimpe, county superintendent of schools, has arranged for five Madison county residents, to act as interviewers on "The Challenge" on KMOX-TV, Channel 4, Saturday at 2:30 p.m.

They are Dr. William V. Robinson, East Alton, Mrs. Auguste Hershey, Alton, John Mull, Bethalto, Kenneth Evans, Edwardsville and Ray Uram, 2418 Lynch avenue.

The National Secondary School Principals' Association's meeting in St. Louis this week, and the panelists who will be interviewed are Dr. Lowell B. Fisher, Illinois Director of the North Central Association of Secondary Schools, Champaign; Dr. Dale McDowell, coordinator of curriculum in the office of State Supt. George T. Wilkins, and James Logsdon, president of the National Secondary School Principals' Association.

If anyone in the county wishes a certain question to be asked, he may contact one of the five questioners, Trimpe said.

When the goals of the secondary schools "will be explored, along with whether the goals are so set as to meet the needs of today's youth," Trimpe explained, "if they are properly set, the question is why there are a large number of drop-outs," he said, adding that "this discussion should prove very interesting to the public."

Charged In Venice Pool Hall Incident

Two Granite City men and one from Collinsville have been arrested in connection with a Jan. 1 incident in which a pool table ball was thrown through a window of the Dutch Maid restaurant, Market and State streets, Dale Allen Macville, 20, of 3105 3rd avenue, was arrested Tuesday, told police the ball was thrown by Jack Charles Ritchie, 24, of Collinsville, after they and others had been drinking in a Madison tavern, where liquor bottles were broken by another pool ball.

Ritchie and Thomas Gravatt, 24, of 2625 Myrtle avenue, were arrested at 3:05 p.m. yesterday at the Venice pool station, charged with disorderly conduct and destruction of property. Gravatt pleaded guilty and paid a \$15 fine and costs, while Ritchie was released on a \$300 property bond to appear for a hearing March 3.

Maxville has been charged with disorderly conduct, and also was released on bond to appear March 3.

Madison Senior Citizen Program To Be Studied

A committee meeting on proposed establishment of a senior citizens' program in Madison has been scheduled for tomorrow evening. President Fred Schmidt announced at yesterday's Madison Rotary meeting. A study group headed by Jack Friedman has been appointed to explore the feasibility of creating a "golden age" activity program. Schmidt named William Metel and E. A. Friedman as a nominating committee to report March 14.

Dr. Steve Geroff, program chairman, introduced Louis Raschoff, who presented two representatives of the Interstate Supply Co., Ollie Wobbe and Bill Stumpe. They spoke and showed film on color television and on appliances expected to be developed by the 1970s.

Eta Chapter Has Dinner Meeting

Eta chapter of the Phi Tau Omega sorority met last night at Tony's restaurant with Mrs. Ruby Logan, Mrs. Laura Boyd, Mrs. Mary Ann Gaughan and Mrs. Georgina Waigoner as hostesses.

An Italian dinner was served, and prizes in the games were won by Miss Dolores Cripe, Miss Eunice Hatcher, Miss Hilda Schroeder, Mrs. Frances Hartman, Mrs. Dolores Siebert and Miss Martha Ruth Thomas. Twenty-three were present.

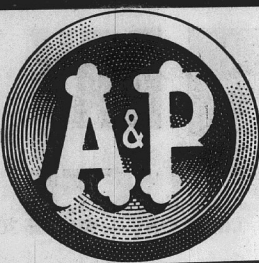

SHOWCASE 92 - WQNT - SUNDAY 10 to 11 a.m.
GCB Observes 40th Anniversary
Members of the GCB Club observed the 40th anniversary of the organization with a noon luncheon at The Den on State street, followed by a party later in the afternoon at the home of Mrs. A. F. Buente, sr., 2119 Cleveland blvd., the only one of the original members now in the club.

The time was spent at cards and the awards went to Mrs. Dan Seymour, Mrs. Grover Dawson, Mrs. John Harbig and Mrs. Lottie Scherrer. All of the members were present.

The next regular meeting will be with Mrs. Seymour.

City-Built Plant

(Continued from Page 1)

the local engineering firm of Sheppard, Morgan & Schwaab, sets forth construction cost of \$2,625,000, with the monthly household charge set at a lesser figure of \$112.

Three-Fold Program

"The citizens' recommendation is three-fold, designed not only to give the city a sewage treatment plant as required by the state SWB, but also to construct much-needed storm water relief sewers to separate storm water and sanitary sewage, thus providing the city with adequate drainage and sewage lines for growth in years to come," Hoelscher said.

With a city-built and owned treatment plant, the municipality would have complete control over its use and operation, the citizen chairman added, pointing out that a levee district owned and operated plant would serve areas outside the corporate limits of Granite City without the city having authority to exercise control of the treatment plant.

In studying the levee district's program, S.M.S. Engineer Edward Juneau pointed out the \$1.41 charge for the treatment plant and interceptor sewers would be added in total to the \$2.50 monthly sanitary sewer rental fee being paid by Nameoki area residents for a total of \$3.91; while the citizen chairman has recommended to the city the \$2.50 charge be reduced to \$2.28, so that with the new construction, the total would be \$3.40 per average household, or \$1.31 less than the monthly charge proposed by the levee district.

"The figures show," Hoelscher said, "the city can do the same job cheaper and at the same time bring about solutions to major city problems by providing adequate storm water drainage and adding capacity to the sanitary sewer system to meet the date future growth at a minimum cost."

Urban Renewal Benefits

"Let me add one other point that Granite City's plans should take into consideration," Hoelscher said. "In a recent conference with Charles L. Farris, executive director of the Land Clearance and Housing Authority of the city in St. Louis, attended by Alderman Donald Partney, Tri-Cities Chamber of Commerce Executive Harlan Dobry and myself, it was learned Granite City could qualify for \$18,000,000 to \$20,000,000 in federal grants for urban renewal if the city undertakes its own pollution abatement and master plan and drainage program. If it's built by the levee district, the city would be unable to receive these benefits."

"Those funds would be available for construction of sewers and gutters, street improvements as well as for redevelopment of areas."

"This city is growing," he concluded. "Its future development could be checked only steps are taken to provide not only for pollution abatement, but also adequate sanitary and storm water drainage facilities."

ceeded with area-wide abatement construction awaiting decision by Granite City and East St. Louis, which have been studying the possibility of joining their own treatment systems. "Wiseley told the mayors, believe the Sanitary Water Board regards sanitary sewers more important than storm water drainage at this time, from a standpoint of public health."

No commitments were given by Mayors Davis or Fields Tuesday night, but both said they or their spokesmen would attempt an explanation of the cities' positions relative to levee district plans before the water board Monday.

Wiseley, who said he was using cost figures for the construction of a sewage treatment plant and related sewer lines in Granite City the same as those arrived at by the Citizens' Master Sewer and Drainage committee, said a \$2,000,000 savings in finance costs could be realized by the city with the adoption of a "conservative plan" and participation in the district-wide program.

Under the financing plan as drawn up by the citizens' committee, Wiseley said, 35-year revenue bonds with 28% coverage at 4 1/2% interest would cost Granite City \$16,400,000 to pay Granite City \$16,400,000 to pay off. Domestic sewage service charges are estimated at the average of \$112 per month in the average household under this plan, he said.

In his "conservative" proposal for the levee district program, Wiseley suggested the issue of the bonds in the same amount for a 30-year period at 4 1/2% interest, but with 50% coverage. The off the bonds would cost \$14,400,000, or two million dollars less than the citizens' proposal, he added. The average month-

Trades Council Endorses Candidates

Endorsement of candidates in the forthcoming Democratic primary election in April was the main order of business for the 67 delegates to the Tri-City Trades & Labor Council in last night's meeting at the Labor Temple with Probate Judge Patrick O'Neill presiding for the office of state senator over Rep. Paul Simon.

Both candidates were present for the meeting and debated briefly over state financing the local area campus for Southern Illinois University.

Council President Edwin Reiske said the local council decided to select its own candidates rather than follow precisely those agreed upon recently during a meeting of AFL-CIO district Committee on Political Education.

Endorsement of Harold Roberts of Alton for sheriff; while the local council is giving its support to Police Chief Barney Trandorf.

Other endorsements voted on the Democratic ticket were Sheriff George Musso for county treasurer; Russell Shaver for county superintendent of schools; and Mike Hill for probate judge; Dale Hill for probate judge; Michael Kinney for county clerk and Lloyd "Curly" Harris and Guy Laht for state representatives.

In other business, the council voted to support the Cooks & Waitresses Local 461 for action to be taken to curb public sale of food at the Granite City Engineer Depot. Reiske said letters seeking support will be written to Sen. Kennedy, Senators Dirksen and Douglas and Congressman Price.

8 Persons Hurt

(Continued from Page 1)

Faulkner, 53, of 1423 Third Street, Madison, received a head cut.

The island vehicle, which had skidded on the pavement of the viaduct, was towed to a garage.

Minor Injury in Crash
A Granite City Engineer Depot soldier suffered a minor injury about 8:35 p.m. Tuesday when an auto skidded on wet trolley tracks on the curve in the 1400 block of Madison avenue and crashed into a parked car.

Three soldiers were taken by ambulance to the depot district where one was treated for a minor scratch, depot authorities said.

Police reported the car was being driven south by Sgt. Laurel White, 18, and the passengers were Pfc. James Estel, 26, and Pvt. Francis Bellanger, 23. The parked car was owned by Ernest Damm, 1437 Madison avenue.

Hurt In Auto-Track Crash
Jack W. Burgess, 54, of St. Louis was injured at 5:30 p.m. Tuesday when his car collided with a tractor-trailer truck at the intersection of By-Pass 66-40 and Route 111 near Mitchell.

He received emergency treatment at St. Elizabeth Hospital for lacerations to his right knee and hand, over his right eye, and to his scalp and complained of pain in his chest. He was transferred by ambulance to Barnes Hospital, St. Louis.

Andrew Gaddy, 49, of St. Louis suffered lacerations to the mouth and face when his car struck a utility pole and metal sign at Fourth street and Lincoln avenue about 1 a.m. today. He was taken by ambulance to Barnes Hospital, St. Louis. The car, with front end damage, was towed away.

City service charge would be \$1.41 to Granite City.

Excludes Drainage Lines
Wiseley emphasized that his estimates were based on the exclusion of construction of storm water drainage lines.

Levee Board Trustee Thomas Hennessey, who was chairman during the informal meeting in his capacity as head of the districts' engineering committee, said, "Our problem is to take care of the smaller communities involved. We have no objections to Granite City and East St. Louis going it alone, but our obligation is to the whole district."

Wiseley added, "The costs to Madison and Venice would be lower if Granite City participated in the plan, since it holds true for the smaller communities around East St. Louis if East St. Louis participated."

At the conclusion of the meeting, Davis extended an invitation to Wiseley to appear at a city council meeting and explain the "conservative" plan. Also attending Tuesday night's meeting were City Atty. Wilbur Beatty and Fifth Ward Alderman Walter Wynn.

UF Council Reports '61 Relief Payments

Arthur Roseman, chairman of the Tri-Cities Area United Fund social planning council, reported to committee members Tuesday afternoon at the Granite City YMCA that payments totaling \$8332 were made from the UF Health Services Fund during 1961 for medically indigent residents.

A breakdown of the payments revealed that over half was for heart cases (\$4385). Other payments included: cancer \$2600; cystic fibrosis \$460; birth defects \$400; multiple sclerosis \$250; polio \$32; and general medical relief \$87. Payments to date for 1962 total \$641.

Edward A. Hagnauer was introduced by UF Executive Director John Solenberger as a new member of the council. Hagnauer recently assumed his duties as the AFL-CIO community services director.

The council considered four cases submitted for study. The group approved aid in the payment of a drug bill for a cystic fibrosis patient; approved aid for a complicated dental case; and agreed to give future assistance to a person requiring an immediate exploratory operation. The above requests were submitted by the Protestant Welfare agency.

The fourth and final request, from the Visiting Nurse Association, involved a cancer case. The group approved the request, and Hagnauer agreed to assist in obtaining more data on the patient before a decision is made.

Tavern Raided

(Continued from Page 1)

The sheriff's men then drove into the back parking lot, leaving the state patrol car in front. The place was ordered closed by Musso as Gitchoff announced that he was filing charges.

Evidence was obtained and all those found in the place were asked to explain their presence. Several truck drivers and two hitchhikers were permitted to leave. As the remaining group was removed from the building for the trip to Edwardsville, Musso locked the doors with keys obtained from Brannoff.

Description Of Interior
Red lights illuminated the backbar, and lamps with red light bulbs and red shades were found in two bedrooms. The larger bedroom was connected to a corridor by a small sitting room, in which a television set and couch were located. The other bedroom was reached through a kitchen. At the back of the tavern was a small storage area and hallway, next to a restroom.

Officers heard a variety of sibilant during their brief stay at the Alibi.

One youth described as frequenting the place sat in a corner, participating in a cigarette machine, and maintained that he had been merely waiting for the customers to arrive so that he could be going painting the place. Others stoutly maintained that their sole interest had been to obtain a glass of beer.

Frequent Telephone Calls
A young truck driver made an unsuccessful effort to retrieve \$15.63 change which he said he had failed to receive as he was paying his bill for drinks. The sudden raid interrupted business before he was paid, he related, but Brannoff said he would have to check with the barmaid. It was she who answered four telephone calls received while the raid was in progress.

Dim red lights continued to glow after the tavern was cleared, but portable electric heaters in the two bedrooms were turned off to avoid the possibility of fire. The building was soon deserted, arousing speculation about its future among some passersby when they noted a "for sale" sign attached to the front wall.

Those participating in the raid besides Musso and Gitchoff were Cpl. Julius Luber and Detectives Bill Maruzzo and Herbert Fitzgerald of the state police and Deputies Tony Petrillo, Clyde Green, Joseph Greiner, Walter Delaney and Paul Turner.

At the conclusion of the raid, Brannoff said he would have to check with the barmaid. It was she who answered four telephone calls received while the raid was in progress.

River Bluffs Girl Scout Council Meeting Here

Girl Scout leaders from throughout the River Bluffs Council area attended a council board of directors meeting at St. John United Church of Christ yesterday.

Plans for a cookie sale were approved by the 30 leaders present, and plans of financial aid to personnel and program services committee and camping dates at Camp Outagou were discussed.

Mrs. George Eubanks, Granite City, first vice-president of the council, presided over the meeting. Other officers present were Mrs. Edward Votaw, and Mrs. Bernard Miller. Five camping sessions, three of troop camping and two of regular established Girl Scout camping, are planned for the summer at Camp Outagou, to be set between June 9 and Aug. 10.

Next meeting of the River Bluffs Council will be a delegation meeting Tuesday at Edwardsville.

At the meeting, Council President Mrs. John Marsh, Belleville, read a letter and a citation from the Cahokia Monarch Council of Boy Scouts, welcoming the presence of the new scouting unit.

The board decided on a direct cookie sale to be conducted March 23 through April 2, with proceeds to help national and international senior scout activities.

Neighborhood chairman named for the Quad-City area are Miss Dorothy Hinson, Mrs. Wilbur Votaw, and Mrs. Bernard Miller. Five camping sessions, three of troop camping and two of regular established Girl Scout camping, are planned for the summer at Camp Outagou, to be set between June 9 and Aug. 10.

Entered a plea of guilty, George K. Wagner, 21, of 1644 East 24th street, was fined \$50 and costs Tuesday morning when he appeared before Police Magistrate Gasparovic on a charge filed by City of Detectives James R. Lowder.

Lowder said Wagner admitted buying stolen property — two tires and wheels and a box of tools, from two teenage boys who were taken into custody last week.

Wagner was set between June 9 and Aug. 10. Next meeting of the River Bluffs Council will be a delegation meeting Tuesday at Edwardsville.

Broken Sewer

(Continued from Page 1)

mud and sand in the 15-inch sewer line, the TV crew was unable to send the camera through the sewer except for a distance of about 40 feet a distance from the break. Council members said they have noticed other back yards sinking in the vicinity of the second break.

Engineer Johnston said a section of the line south of the present break was inspected for a distance of 40 feet before sand and mud blocked the camera. It was noted the section was in sound condition. He added it was likely that repairs or replacement would be restricted to a section of the line near the existing break about 500 feet in length.

Several aldermen pointed to the \$31,000 cost to repair last summer's break in the same line just two houses away from the present break and said the city could not afford another such expenditure. Mayor Davis advised them he was preparing to

submit a written request to the levee district to undertake the repair or replacement project since it constructed that phase of the Nameoki sanitary sewer system.

The line was installed before houses were built in the area and is 20 feet off the easement and in the backyard of homes, Alderman Donald Partney, reported. "This causes added cost in reworking yards, replacing trees and shrubs that might be damaged, as well as causing much added inconvenience," he added.

When asked for figures, Johnston turned to a representative of the Power Rodding Corp., who said the cleaning cost would be \$1200 and the TV inspection \$300 a day. He said the line could be inspected by camera in one day, with the camera following close behind the firm's cleaning equipment.

Johnston told council members he expected to find at least 800 feet of the line south of the break to be in good condition, but more information would be available after the inspection. Council members pointed out the inspection data could be furnished the levee district, should it agree to repair or replace the line, which is 15 to 18 feet un-

derground.

At the meeting, Council President Mrs. John Marsh, Belleville, read a letter and a citation from the Cahokia Monarch Council of Boy Scouts, welcoming the presence of the new scouting unit.

The board decided on a direct cookie sale to be conducted March 23 through April 2, with proceeds to help national and international senior scout activities.

Neighborhood chairman named for the Quad-City area are Miss Dorothy Hinson, Mrs. Wilbur Votaw, and Mrs. Bernard Miller. Five camping sessions, three of troop camping and two of regular established Girl Scout camping, are planned for the summer at Camp Outagou, to be set between June 9 and Aug. 10.

Next meeting of the River Bluffs Council will be a delegation meeting Tuesday at Edwardsville.

submit a written request to the levee district to undertake the repair or replacement project since it constructed that phase of the Nameoki sanitary sewer system.

The line was installed before houses were built in the area and is 20 feet off the easement and in the backyard of homes, Alderman Donald Partney, reported. "This causes added cost in reworking yards, replacing trees and shrubs that might be damaged, as well as causing much added inconvenience," he added.

When asked for figures, Johnston turned to a representative of the Power Rodding Corp., who said the cleaning cost would be \$1200 and the TV inspection \$300 a day. He said the line could be inspected by camera in one day, with the camera following close behind the firm's cleaning equipment.

Johnston told council members he expected to find at least 800 feet of the line south of the break to be in good condition, but more information would be available after the inspection. Council members pointed out the inspection data could be furnished the levee district, should it agree to repair or replace the line, which is 15 to 18 feet un-

derground.

Boy Scout Organizing Rally Here Feb. 27

G. H. Sternberg, president of the Cahokia Mound Boy Scout Council, has announced that the organization and extension committee, headed by County School Superintendent Wilbur Trimpe, assisted in the Unish district by Robert McLeod and Dr. Stanley Maer, is

setting up an "open the door to" rally to be held Tuesday, Feb. 27, at 6:30 p. m. in the old cafeteria of the Granite City Steel Co.

Nineteen institutions have been invited by Maer and McLeod to send five-man delegations to the supper meeting to learn of the opportunity to "open the door" for more cub scouts and explorers.

Dan Brown, district scout

executive, reports that 15% more boys will be available in scouting ages in the Quad-Cities in 1962 than there were in 1961.

The rally is an effort to reach more boys with the nation's largest youth organization of its kind. District Chairman Allen Joesse will be master-of-ceremonies for the rally.

New Officers Named By GC Toastmasters

Annual election of officers was held at the regular weekly meeting of the Granite City Toastmasters Club Monday night, with Earl Tucker named president to succeed Dr. Leo Coleman.

The entire slate of nominees chosen by a nominating committee was elected by acclamation, with the new club officials to take office at the first meeting in April.

Selected educational vice-president was Max Forbes, replacing Earl Lee; Ray Uram is the new administrative vice-president, following Herman Grever; Herman Mueller succeeds Charles Young as secretary-treasurer, and Dr. Leo Coleman was chosen to replace Marvin Dean as sergeant-at-arms.

Greve won the award of the week for his talk, which was titled "Oh Brother!" Other speakers were Harry Fechte, talking on "Lincoln's Teachers," and Dean, who spoke on "Boy Scouts to the Rescue."

Marvin Rorer was a special guest speaker and talked on "The United Nations—It's Inception and Objectives."

GCBS Band To Present Third Concert Tonight

The third in its current series of public concerts will be presented tonight by the Granite City high school 100-student band under the direction of Louis Meek.

The concert will be held at the high school auditorium, beginning at 8 p.m. The fourth and final concert of the season is scheduled for April 5.

Tonight's program will include the George Washington Bicentennial March by Sousa, the first movement of Beethoven's

and Symphony, "Fandango" by Perikles, "Mannin' Yeen" by Wood, Richard Rogers' "Victory at Sea," "The Purple Pageant" by King and "I'll See You Again" from Noel Coward's "Bitter Sweet."

Guest band at tonight's concert will be the Nameoki division, Joe Owens, conductor. The band will play "Sky Pilot" by Cannan, three movements of "A Little Hallel Suite," arranged by Gordon, and "Beau Geste" by Buchtel.

C. E. Townsend Reappointed To Bi-State Post

C. E. Townsend, editor and publisher of the Press-Record, was re-appointed Monday afternoon by Gov. Otto Kerner to a five-year term on the Missouri-Illinois Bi-State Development Agency commission.

The agency, a compact between the states of Illinois and Missouri, is composed of five commissioners from each state, all appointed by the governors and all serving without salary. Townsend was first named to the commission on April 9, 1959, by former Gov. William Stratton to fill the unexpired term of Roy S. Rauschkolb, former secretary of the Tri-Cities Chamber of Commerce. Rauschkolb resigned from the commission when he left the local C. of C. post.

Townsend was a member of the original 10-man Interim Bi-State Agency Commission which planned and drew up the charter for the present agency, and was one of the signers of the charter. The planning group was formed in August 1948 and concluded its work with the signing of the charter on Sept. 20, 1949.

In addition to his work on the Bi-State commission, Townsend is a member of the Illinois Traffic Study Commission, is a director of the Metropolitan Planning Association, and is active in the Madison County Citizens Planning Commission.

He was named Illinois "Editor of the Year" in 1957 by the Illinois Editorial Association. Other Illinois members of the Bi-State commission and the years their terms will expire are C. M. Ross, Belleville, 1965; R. Schmidt, Waterloo, 1965; Herbert Wilhelm, East St. Louis, 1964; and Edward Delmar Jr., Caseyville, 1966.

DOG DART GUN displayed by Granite City Humane Officer Scott Craycraft. The long range drug projector will be used to capture stray dogs within the city limits starting Monday at 8 a.m. Craycraft is holding two syringes in his left hand which contain the drug that immobilizes the animal until it can be apprehended safely.

Starts Monday

GC Dog Owners Warned Of Dart Gun Arrival

Granite City dog owners are being given until 8 a.m. Monday to corral their pets before City Humane Officer Scott Craycraft sets out with his new drug gun to capture stray canines. The city is receiving numerous stray dog complaints.

The new \$257 gun arrived Monday complete with syringes and a two-year supply of drugs. Developed to aid in basic disease research and wildlife conservation, the equipment makes possible medical treatment or immobilization of any animal at distances up to 35 yards with complete safety for both man and animal in the capture. Making use of a unique patented automatic syringe propelled by a gas powered projector, a man may literally "throw" 1-10 cc's of any liquid drug at an animal and have the syringe inject the liquid upon contact.

St. Louis Pastor Is GC Rotary Speaker

Rev. Mack R. Douglas, pastor of Tower Grove Baptist Church in St. Louis, was guest speaker at the noon meeting of the Granite City Rotary Club Tuesday.

Rev. Douglas told Rotarians emotions can become a man's servant rather than his master if properly used, and stressed the power of positive rather than negative thinking.

"We can become what we think we are," he said, "and as a man thinks deep within himself, so he is."

In a business session, members discussed the annual horse show and ticket sales, with further plans to be offered at the March 6 meeting.

The membership also approved a resolution passed by the board of directors earlier supporting proposed Madison county zoning and land use measures.

Robert Dant, physical director at the YMCA, was introduced as the newest club member.

The guest speaker was obtained by Rev. George Sagen, pastor of the First Baptist Church, who was program chairman.

Taken To County Jail

Arnold Pratt, 27, of 211 Butler road, Venice, was taken to the county jail Monday night to serve out a \$150 fine levied two days earlier on a petty larceny charge. A Venice woman had reported theft of \$100 from her home.

are to be fined under the city leash-laws when they reclaim their captured pets at the city garage. Charges also will be made to cover the board, obtaining a license, rabies shots and any other expenses incurred.

3 Local Girls Place Second At Conference
The results of the 13th Pre-legislative Conference in which local young people took part were announced this week as follows:
Lynn Ann Hastings, winner of second place after competing for speaker of the House; and Connie Sigile, second place after competing for chaplain of the House. Both are members of the Quin Du Tri-Hi-Y Club.
Sharon Kay Willared, a member of Chi Delta Chi Tri-Hi-Y

Club, also took second place in competing for secretary of the Senate.
During the conference all bills which are to be presented at the Youth Legislative Conference at Springfield on April 26-27 were reviewed and discussed. Suggestions for improvement and revision were offered by the discussion groups consisting of Hi-Y and Tri-Hi-Y groups from Southern Illinois. After the conference the legislators and supervisors, Mrs. Mary Willared and Assistant Teen Age Director Gary D. SanSouci toured the State House.

Two-Week Bill List For City Totals \$6873

A two-week bill list totaling \$6873 was approved Monday night by Granite City council members.

Among the bills approved were \$753 for Melvin Pashea to maintain the city dump during February, \$1402 for maintenance and fuel for city equipment, \$37 medical care for Police Patrolman Frank Harris, who was wounded last Monday; \$580 paid to Sheppard, Morgan & Schwaab for engineering services for the proposed sidewalk on Benton street and on 27th street; and \$257 paid to The Poodle Parlor for a drug dart gun to capture animals.

There were no aldermanic expense allowances on the list, but allowances were approved for two civil defense officials—Victor Koenig, \$50, and Theodore Todoroff, \$50.

State Aid Payments For School Districts

State aid payments totaling \$201,246 have been made to the Granite City, Madison and Venice school districts based on claims made by the districts for reimbursement, according to Madison County Supt. of Schools Wilbur R. L. Trimpe.

Basic state aid payments, the first of six to be made to each district, are \$130,095 to Granite City, \$38,065 to Madison and \$29,086 to Venice.

Reimbursements under the school lunch and milk programs are \$5212 to Granite City, \$1247 to Madison and \$322 to Venice. In addition the Granite City district has received \$22,735 under the federal encumbrance (Granite City Engineer Dept) reimbursement act.

GC Seeks MFT Aid For Sections Of 15 Streets

A request for sections of 15 Granite City streets to be designated arterial was approved Monday night by council members and is to be forwarded to the state highway department for approval.

If the resolution is approved by the state, motor fuel tax funds will be available for maintenance or improvement.

Alderman Donald Parney of the Planning committee that is preparing a priority list for motor fuel tax street improvements told council members the city has \$352,000 MFT funds to its credits and now has projects proposed totaling \$790,000 approved by the state.

Other aldermen said the arterial designations are being sought for use of MFT funds for maintenance rather than major improvements.

Listed on the resolution are: Woodlawn avenue from Maryville road to Lynch avenue; Waterman avenue from Maryville road to Vesel avenue; Garfield avenue from Nameoki road to Clark avenue; Lindell blvd. from Nameoki road to Garfield; Lydia lane from Garfield to Johnson road; Wayne avenue from St. Clair avenue to Johnson road; Jill avenue from Nameoki road to St. Clair avenue; Clark avenue from Nameoki road to Lydia lane; Cottage avenue from Nameoki road to Terrace lane; Terrace lane from Clark to Garfield; Sterna avenue from Pontoon road to city limits; Vesel avenue from Lynch to Pontoon road; Lynch avenue from Wabash avenue to Vesel; Spaulding avenue from Stearns to Vesel; and Boyle avenue from Spaulding to Vesel.

GC, Rams, Venice In Season Wrapups This Weekend

Unbeaten Madison Idle, But Has Two Games Remaining

Granite City and Alton clash on the Red Bird court Friday night in the final Southwestern conference basketball game of the season, and both clubs will be out to salvage what they can from below-par campaigns.

The Warriors must score a win if they hope to avoid falling into a last-place tie with Edwardsville, an Alton victory would assure the home team of a tie for fourth place with Wood River.

The five other teams which make up the SWC already have completed their conference schedules, with Collinsville and Belleville finishing in a first-place tie with 10-2 records. Both play non-conference games Friday night.

East St. Louis, a surprising third in the standings, is at home to local rival Assumption, while Wood River, the even more surprising holder of fourth place in the SWC standings (pending the outcome of the GC-Alton game) will travel to Springfield for an inter-sectional game with Pella.

Edwardsville, 1-11, the conference, will try to break a six-game losing streak at Litchfield.

Bridgeport Last

Granite City will complete its regular season schedule Saturday night at Bridgeport, which has been ranked among the top 15 prep teams in Illinois for most of the season. The Warriors will carry a 3-18 record into the final weekend of pre-tournament activity.

Bridgeport sports a 19-2 record, but lost to Carroll last Friday night after having edged the Bulldogs by one point at home earlier in the season.

Alton (11-10) and Granite City were both beaten by a common opponent in their last out-of-town game. Alton defeated the Warriors here on Jan. 27, by 76-53.

For the first time since the season began, Madison, the only major prep team in Illinois with no defeats on its record this year, will be inactive this weekend.

But the Midwestern conference champions have two games remaining before regional tournament time. Next Tuesday, the Trojans are at home to Chicago's Triad in a game rescheduled from Dec. 30. Madison will complete the regular season in Belleville next Friday, March 2.

Rams At Cairo

The Lincoln of Venice Rams will wrap up their regular season tomorrow night in Cairo where they play Sumner, a team the Rams defeated earlier in Venice, 70-53.

Lincoln is riding the crest of a nine-game winning streak, and has a 13-3 overall record.

Sumner was a tough opponent for the Rams in the first meeting of the two schools, despite advance indications to the contrary and a 17-point deficit at the final buzzer. The Cairo team pulled to within two points of Lincoln in the fourth quarter of that game, and in its last game humiliated Lovejoy of Brooklyn, 76-23.

Home Finish For Venice

The Venice Red Devils also play tomorrow evening to complete their regular schedule.

The Devils' final contest will be played at home against St. Peter & Paul of Waterloo, with whom Venice opened the season on Nov. 17 and came out on the short end of an 86-55 score.

Hearts Grab Division Title With 110-35 Win Over Nameoki

Six players hit double figures Monday night as Sacred Heart annihilated Nameoki Methodist 110-35 in the park district's Church League play at Coolidge Junior high school. In the nightcap, St. Bartholomew's edged St. Joseph, 72-65.

Larry Williams led the Hearts with 32 points and Dale Pashas was next with 18 markers. Paul Mosby and Jake Hintense added 16 apiece and Ony Pashas and Rich Gnojewski tossed in 13 points apiece. The win clinched an undisputed A Division title for Sacred Heart, which has won seven and lost two with one game remaining before the playoffs.

Kent Scheitel paced Nameoki Methodist with 14 points and Don Hornberger, who played the second half, finished with 12. It was Nameoki's ninth loss in as many starts.

Playing the last minute with just two men, St. Joseph bowed to St. Bartholomew's taller quintet. Three players fouled out and a fourth St. Joseph man was ejected for unsportsmanlike conduct. Hank Nowicki led the winners with 26 points and Glen Sprankle contributed 21. Harold Tankley added 10 for St. Bartholomew.

St. Joseph's was paced by Ed Takmajian's 18 markers and Junior Valencia and August Becerra tallied 13 apiece.

42 Years With Water Co.

GC Pumping Station Chief Operator Retires

After 42 years with the East St. Louis & Interurban Water Co., Charles Clausen will not officially retire until April 1. However, he has accrued five weeks vacation which accounts for his early departure.

Clausen, who will be 63 March 11, moved to Granite City in 1950 when the local plant was built. Prior to that time, he served as a filter plant operator in East St. Louis for 30 years. He and his wife, Ruby, live across the street from the local plant at 2316 Logan street. "I planned it that way," Clausen said in an interview with the Press-Record. "The new crew didn't understand filter plant work at that time," explained the conscientious employee. "And I thought it would be easier for me to come over to the plant in the event of trouble than call."

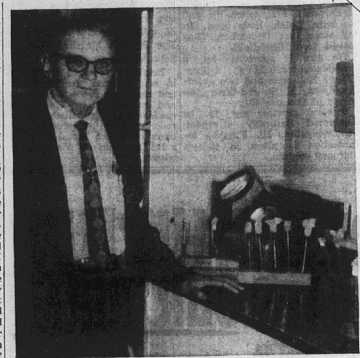

A crew of five men work at the Granite City station, and Clausen conducts the daily laboratory tests as prescribed by the state Department of Public Health.

Asked if there were ever any serious trouble at the local plant Clausen replied, "We have a good share of electrical outages." He explained that electrical outages could result from blown fuses or other power failure.

Fuses blew in May of '59, I believe it was," recalled Clausen. "I was on vacation at the time but happened to be at home. He went on to tell how they used a gasoline motor until the blown fuses were discovered."

Never Without Water "We've never been without water at any time since I've been here," declared Clausen. "There's a half million gallon storage tank at 24th and Center streets. It maintains pressure until standby pumps are started." He said that the Qund-City area would last the Qund-City area from 1-2 hours according to the demand.

Usual Complaints Calling to mind unusual problems, he remembered three such incidents. One resident complained of a brownish material in his water at home. "A chemist from East St. Louis and I went to the home completely mystified. We found that the client had hooked a 'Y' hose from his hot water tank to the cold water faucet so he could keep his water through a filter into the washing machine. It turned out that the brownish coloring was the residue from hot water heater," said Clausen.

Press-Record Staff Photographer

LAST LAB DAY at the Granite City pumping and filter station for Chief Operator Charles Clausen (pictured above) is tomorrow when he will conduct his last laboratory tests. His retirement after 42 years service with the East St. Louis & Interurban Water Co. officially begins April 1 since Clausen has accrued five weeks vacation which begins Friday.

Two complaints regarding drinking fountains were recalled. "Once the old Nesco plant complained of a bad odor, and taste in their water fountains. They were using an air compressor to pump cleaning fluid and they hooked onto the water line," continued Clausen. The situation was promptly corrected.

Faulty Fountains "Another report came from the A. O. Smith plant about two or three years ago. Four or five of about a dozen water fountains were tasting bad. I found out that all the faulty fountains were hooked onto the same line, so they were condemned and we isolated the line, drained and cleaned it and then the fountains were good again. You know, you forget about things like that, there's probably several others I'm forgetting."

Plans Very Indefinite "Right now, our plans are very indefinite," he said. "But we plan to sell our home here and move to a place we have at Rockwood, Ill., which is about nine miles south of Chester on State Route 3." Clausen's birthplace is Neunert, Ill., about 20 miles south of Rockwood. Clausen's home is Rockwood. Church work and gardening will be his life's work now. "The only hurry I'm in now is to get out of everybody's way," declared Clausen.

One-Day Veteran Asked to explain his brief army hitch, he replied, "I was inducted the morning of Nov. 11, 1918, at Murphysboro, Ill., and discharged that evening from the same place. I earned one dollar during my tour of service," laughed Clausen. "Both our boys are world war II vets," added a proud father. Financial secretary of the Utilities Workers Union of America, Local 405, East St. Louis, since 1952, Clausen resigned in December because of his upcoming retirement. The local gives a farewell party for him on March 5 at the East St. Louis VFW.

The Clausens have four children and eight grandchildren. Daughters Mrs. Marilyn Cottrell and Mrs. Irma Arnold reside in Granite City, with their brother, Robert Vaughn, the oldest, is a druggist at Mattoon.

In closing, Clausen said, "We have a saying around here (the pumping station) that water is the best drink ever invented. You can drink as much as you want of other liquids but you'll always come back to water for satisfaction," concluded Clausen as he took a drink from a laboratory beaker.

Accidental Injury Carol Chandler, 20, of 1416a Eighteenth street, was admitted at St. Elizabeth Hospital Tuesday at 1:30 a.m. after falling down a flight of stairs at her home. Investigating police officers said she complained of a back injury.

Emmanuel Baptist Joins Protestant Welfare

Emmanuel Baptist Church was accepted as a member of the Protestant Welfare Association during a monthly meeting Tuesday evening at Concordia Lutheran Church.

Rev. Arvin Twittemeyer, host pastor, gave the devotion and the group toured the new educational building of the church.

President Oliver Jacobsmeier presided, and a January report showed aid totaling \$655, including the value of furniture and clothing, to 29 cases involving 123 persons. In January 1961, there were 19 cases and aid totaled \$616.

Committees for the year were appointed. The March 20 meeting was planned for the First Presbyterian Church, Granite City.

Half Of GC General Fund Accounts Show Deficits

Granite City's general fund accounts showed a \$181,137 balance on Jan. 31 with half of the 16 accounts in the red, according to the report submitted to the council Monday night by Comptroller John Doehner and Treasurer Frank Suppiger.

General fund disbursements have totaled \$833,229 in nine months operation for the current fiscal year averaged \$82,581. In addition, under a special account, \$448,043 has been spent for sewer maintenance. With these amounts remaining and a \$181,137 balance on Jan. 31, the general fund deficit is about \$96,000 if the past rate of expenditures is continued.

Nonn Seeks Economy

An appeal for economy and for departmental cutbacks in preparing the 1962-63 budget were made by Alderman Walter Nonn, new Finance committee chairman. Nonn said letters are being sent from the mayor's office to department heads for budget cutting, and he added, "We might have to start cutting a few corners now."

Doehner said the city's financial plight was eased slightly with receipt of \$300,000 of the 1961 tax collection from the county treasurer for distribution to the general and special accounts.

"Only a final payment of the tax collection is coming and it will be only a few thousand dollars," Doehner said.

General Fund Breakdown

A breakdown of the 16 general fund accounts, showing nine-month expenditures totals and Jan. 31 balances or deficits follows:

Fire department, \$174,594 and \$32,675 balance; water and hydrant rental, \$10,883 and a \$7563 deficit; street department, \$169,916 and a \$500 transfer to the city planning account; com-

Special account expenditures during the nine-month period disbursed to \$28,045, leaving a balance of \$199,597, and four of the special fund accounts showed deficits.

Special Accounts Breakdown

A similar breakdown follows:

Municipal retirement, \$33,967 and a \$854 deficit; working cash, \$17,446 transfer and \$83,283 balance; parking meters, \$21,847 and \$85,781 balance; life pension, \$13,295 and a \$30,000 investment leaving a \$17,192 balance; firemen pension, \$23,843 and a \$14,786 investment leaving a \$32,303 balance; unclaimed rebate, none and \$1000 balance; civil defense, \$9780 and \$7468 deficit; sales tax, \$4046 balance; \$286,471 transfers and \$28,916 balance; maintenance of sewers, \$448,043 and a \$68,934 deficit; extension, \$1000 and \$1381 balance; Monroe street sidewalk paving, none and \$184 balance; Edwardsville road sidewalk paving, none and \$653 balance; special improvement projects, \$806 and a \$836 deficit; and 10 motor fuel tax projects, \$127,215 and \$3148 balance.

Council Approves \$625 Salary For Bldg. Inspector

An ordinance placing the city building inspector on a salary of \$7500 a year was adopted with suspension of rules Monday night by Granite City council members, who also called for a crackdown on delinquent coin machine and business licenses.

In St. Louis that Granite City could qualify for matching federal funds for an urban renewal program here, receiving credit for sewer improvements proposed by the Citizens' Master Sewer & Drainage committee. Partney said the city could realize federal grants amounting to \$18,000,000 to \$20,000,000 when the sewer project goes through. He suggested the application be filed at the same time the city would sell sewer bonds.

City Building Inspector Bloomquist advised the council a 10-day notice was being sent to the owner of Hotel Stevens, advising that plans for repairs should be initiated in 10 days or the city would begin condemnation proceedings.

During a 20-minute recess, council members reviewed city and township precinct maps submitted by City Atty. William Beatty, and decided to make city precinct maps available at a cost of \$3 each.

Alderman Joseph Cuvar, new chairman of the Inspection committee, agreeing with views ex-

pressed by other aldermen, said his committee would prepare a new ordinance on the 10-day notice of coin-operated machines, giving the city inspector authority to "tamp the machines and turn them against the wall in a store" if no city license sticker is displayed. New stickers are to list ownership.

Council members called for a crackdown on delinquent coin machine and business licenses, referring the matter to the city attorney for legal action.

Partney, chairman of the planning committee, said he was informed during a recent meeting with urban renewal officials in St. Louis that Granite City could qualify for matching federal funds for an urban renewal program here, receiving credit for sewer improvements proposed by the Citizens' Master Sewer & Drainage committee. Partney said the city could realize federal grants amounting to \$18,000,000 to \$20,000,000 when the sewer project goes through. DAR Elects New Officers; Miss Carr, Regent

Officers for 1962-63 were elected by Drucilla Andrews Chapter, Daughters of the American Revolution, at a meeting Monday evening in the home of Miss Ella Ray Smith, 1208 Niedringhaus avenue.

The officers are Miss Nelle Carr, regent, succeeding Miss Smith; Mrs. Eva Meier, vice-regent; Miss Ann Wilcox, secretary; Mrs. Dorothy Buenger, treasurer; Miss Morene Groshong, registrar; Mrs. Theima Havert, historian; and Mrs. Leona Tate, chaplain.

The meeting was opened by the hostess, and an Indian version of the 23rd Psalm from St. Mary's School For Girls in Springfield, S. D., was read by Mrs. Helen Barco. Miss Smith gave the monthly message of the President General of the DAR; and Miss Wilcox, who was in charge of the program on "Indians" read an article by Stella Love Robinson of Byron State Chapter in Lexington, Ky., from the DAR national magazine entitled "American Indians—Yesterday and Today."

Refreshments were served by the hostess to 10 members and a guest, Mrs. Fred Pieper.

Mothers Of Twins Elect Officers

The newly-elected officers of the Mothers of Twins Club, named Monday night, are Mrs. Elizabeth Niepert, president; Mrs. Loretta Shipp, vice-president; Mrs. Jo Chinn, corresponding secretary; Mrs. Helen Schengen, recording secretary; Mrs. Carol Gendron, treasurer; and Mrs. Jane Schwartz, reporter.

Miss Millie Schubert is the retiring president.

The meeting took place Monday evening in the home of Mrs. Melba Grady, 3401 Kirkpatrick Homes. During the business hour plans were made for a dinner party St. Patrick's Day in Belleville at which the husbands of the members are to be guests, and for the next regular meeting March 5 at the Good Shepherds United Brethren Church, 3025 National avenue.

Refreshments were served to those mentioned and to Mesdames Sallie Sladky, Lee Willis, Leyhis Odum, Susan Montgomery, Laura Hollis and Gloria Ryterski.

PROGRAM PLANNED FOR CENTRAL PTA MEETING

An executive board meeting of Central junior high school PTA was held Monday evening at the school with Don Seitzer, president, in charge.

Final plans were made for the regular PTA meeting Tuesday at 7:30 p.m. when the topic will be "dating, allowances, make-up and clothing." A panel discussion on the subject will be held by Mrs. Yvonne Dressell, home economics teacher, Mrs. Marian Kirby of the Co-ordinated Youth Services and Rev. David Branner of Belleville, executive secretary of social welfare of the Southern Illinois District of the Lutheran Church.

There also will be a Science Fair display in the gymnasium for the parents.

ATTEND NURSES MEETING IN MONSANTO

Mrs. John Laskey, Dow Metal Products Co., Mrs. Harold Thomas, American Steel Foundries and Mrs. Wilford Cooley were local nurses attending a meeting of the Occupational Health Section of the Tenth District, Illinois Nurses Association, held Monday evening at the William Kummrich Plant, Monsanto Chemical Co., in Monsanto, Ill.

A short business session was held and a film on rescue breathing was shown. Jack Langford, safety engineer, gave a lecture and demonstration and rescue breathing was practiced by the group.

The next meeting will be held April 16 at the Sinclair Oil and Refining Co., in Hartford.

Miss King Is Candidate For Rose Queen Title

Miss Mary Ellen King, a daughter of Mr. and Mrs. Harry King, 3738 Fair Oaks drive and a second-year student in DePaul Hospital School of Nursing, is one of four co-ed members of Delta Sigma Pi's "Rose Court" who will be introduced Friday evening at the annual "rose formal" on the Starlight Roof of Hotel Chase. One of the four will be chosen "rose queen" and crowned by the retiring queen, Miss Dorothy Hammis.

The queen is selected on the basis of character, personality and overall appearance. Miss King is a 1960 graduate of the Granite City high school.

The young woman selected at the dance will represent St. Louis University in the "rose" contest.

Opti-Mrs. Club Elects Officers

A report of the nominating committee was submitted at a meeting of the Noonday Opti-Mrs. Club Monday at The Snuggard and the following staff was accepted:

Mrs. David Parish, president; Mrs. John Wilson, vice-president; and Mrs. Charles Thurber, Mrs. Muri Jennings and Mrs. Arthur Roseman, members of the board of governors. Mrs. Thurber is the retiring president.

A luncheon was served at one o'clock to 29 members and the meeting opened with the Opti-Mrs. Creed read by Mrs. Anthony Michel.

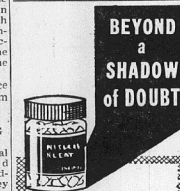

Mrs. A. M. Wilson and Mrs. John Sedlack served as co-chairmen of arrangements to the party, and on the hostess committee were Mesdames A. H. Seebold, A. T. Smith, Irbly Todd, Ernest Veil, Fred Werner, J. Wayne Wynn, Milton Allen, Victor Anderson, Chester Baker and Alvin Barnes Jr.

Special awards went to Mrs. Werner and Mrs. Gene Sternberg and other prizes were won by Mesdames Michel, Sherman Elledge, Irbly Todd, C. A. Pauly, Sternberg, Ahner Brannan, B. Nelson, Andrew Gasparovic Jr. and Paul Harsh.

WILL ATTEND FONTBONE DINNER

Joseph L. Pero, 2654 State street, will attend the annual father-daughter dinner of Fontbonne College Saturday evening at the Ambassador Hotel in St. Louis as the guest of his daughter, Miss Patricia Pero, a senior student.

At the dinner, the students will entertain their fathers with a skit "Night Life." Dancing will range from classical ballet to the Spanish flamenco, and music from jazz to sentimental ballads.

Leaders Named For Heart Fund Sunday Solicitation

Directed by 60 district chairmen and area captains, workers for the Heart Fund will be soliciting residents in the Quad-City area Sunday afternoon in a house-to-house campaign for funds to combat what local chairman Joseph Gottfried called "the number one killer" among human diseases.

Gottfried said a majority of the funds collected on Heart Fund Sunday is earmarked for research, the priority in this year's month-long crusade.

With Heart Fund dollars "we must expand our educational program and broaden our programs of heart services," the chairman said.

Areas And Workers
District chairmen and team captains assigned under them for the various areas in the Quad-Cities are:

Granite City Area A—Chairman Walter Gehring and Captains Mrs. Ernie Kuehnoff, Mrs. Ernie Vought, Mrs. Ruby Mayberry, Mrs. Ebington, Mrs. James Brantley and Mrs. Audrey Shemwell.

Granite City Area B—Chairman Virginia Judd and Captains Lana Maycock, Janice Steinhauer, Roberta Arbellier, Lucille Tritschub, Harriet Dix, Judy Hinterser, Nancy Sabo and Joyce Willmore.

Granite City Area C—Junior Service Club with Flora Mae Lenzing, chairman, and Captains Margaret Schaffner, Margaret Kuehnoff, Norma McKee, Joan Romine, Louise Kovar, Peggy Komanian, Mary Siebert and Helen Parsagian.

Granite City Area D—Epsilon Sigma Alpha sorority, Beta Phi chapter, with Joyce Albers, chairman, and Captains Betty Hinson, Elaine Parish, Mille Clements, Juanita Bell, Linnet Cagle, Jackie Logan, Betty Williams and Louise Williams.

Granite City Area E—Alice Holshouser, chairman, and Captains Beatrice Bruckett, Betty Ebling, Mrs. Earl Hooper, Mrs. Elmer Neumann, Mrs. John

Jenkins, Dorothy Melkamp, Mardel Folks, Doris Teator and Mrs. William Dalger.

Madison Area A—Chairman Lou Sauter and Captains Len Whiteside, Kenneth Hinson, Sam Brankov, George Wilson, Robert Douglas, Richard Peach and Mike Leatherman.

Venice Area A—Chairman Bobby Orasco and Captains Jack Scannell and Larry Puent; and Area B—Chairman Bobby Orasco and Team Captain Oscar Bone.

Mrs. Fred Hanfelder is the district chairman for the Mitchell area, and Chairman Warren Markel will direct members of Roca Young Men's Club in soliciting the Pontoon Beach and Long Lake areas. Meale Harper is Heart Sunday chairman.

Revenue Service Seeking To Recruit Accountants

An extensive recruitment campaign for experienced or college-trained professional accountants to fill Internal Revenue agent positions in the Springfield district is being launched by the Internal Revenue Service, District Director Philip Gott has announced.

Applications are being accepted until further notice for positions at four grade levels: GS-8 \$4345 a year; GS-7, \$3325; GS-6 \$2435; and GS-5, \$1760. Previous education and experience will determine the grade for which an applicant may be considered.

Agents hired for the two lowest grades will examine and audit accounts and keep records to determine correct tax liability. At the GS-7 and GS-8 level, agents perform professional accounting work in determining, re-determining or advising on federal tax liability, and in developing, coordinating and evaluating programs for examination of tax returns to establish tax liability.

Information may be obtained from the Recruitment Coordinator, Miss Norma Eisminger, Post Office Box 1468, Springfield.

Pfc. Gary McFalls
Wins Conduct Medal

Pfc. Gary E. McFalls, son of Mr. and Mrs. Orville McFalls of avenue, Buxton, recently was awarded the Good Conduct medal while serving with the 11th Artillery at Fort Campbell, Ky.

The medal is given in recognition of exemplary conduct, efficiency and fidelity as a soldier in the active military service. McFalls, 21, is a 1959 graduate of Granite City high school. He entered the Army in November 1959 and was stationed at Fort Sill, Okla., where he assigned to Fort Campbell.

GO TO CHURCH SUNDAY

Speakers Available On County Zoning Program

Informational material on the proposed Madison county zoning program, being mailed to county residents by the Madison County Citizens' Planning Committee, offers speakers on zoning for interested clubs and organizations.

Albert H. Paul, Edwardsville Chamber of Commerce executive secretary, 656-4225, is listed as the contact for speakers.

The material quotes Abraham Lincoln as follows: "I like to see a man proud of the place in which he lives, I like to see a man live so that his place will be proud of him."

Included is a reprint from the December 1958 Farm Journal, describing adoption of zoning as "an urgent need."

"The Farm Journal article relates that 'a farmer we know who lives outside Springfield, Ill., got the jolt of his life the other day. The land across from his house was sold as a site for garbage-smelling of hogs, a business so smelly and fly-infested that it had been bootlegged out of town. On top of that, parole prisoners and ex-convicts will do the feeding.'"

"What can our friend do? Not very much. He had hoped that the city grew he could sell off part of his farm—a sort of nest-egg for retirement. But he knows now that no subdivision ordinance to stop such things. But for our friend, it all comes too late."

"The whole community is with him. They've hired a lawyer to fight the case, but there's no assurance of winning. Now they're rushing to prepare zoning ordinances to stop such things. But for our friend, it all comes too late."

"We're too late all across America. Dump grounds, auto graveyards and two-bit joints of all kinds have settled like a blackening frost along our country roads. Highways are choked with the traffic of honky-tonks, taverns and drive-in theaters. Trailer camps which pay relatively little taxes add more children to schools already crowded."

"Not more than one county in 15 has laws to protect farmers from roadside ruin. All too often, farmers themselves have opposed such laws. As a result, rural areas have what amounts to a welcome mat out for the problem."

Citing enactment of zoning in many Illinois counties, with none ever abandoning it, the article says that in those areas, farmers are now the strongest advocates of zoning."

Funeral For Aron Watt Sunday At Dunbar School

Funeral services for Aron Watt of Madison, 46-year-old Granite City Steel Co. employee killed in a plant accident last Thursday, will be held at 1 p.m. at the Dunbar school in Madison.

Services originally had been scheduled for the Madison Southern Baptist Church, and were incorrectly reported in Monday's issue to have been held last Sunday.

Rushfeldt Dinner Proceeds To Go Toward Scholarship

Proceeds from a dinner next Monday night in honor of retired Granite City high school English and journalism teacher Miss Ruth Rushfeldt will go toward the establishment of a \$400 scholarship in her name.

Robert L. Toburen, president of the Granite City Scholarship Foundation, sponsors of the testimonial dinner, said today.

Miss Rushfeldt, who helped establish the scholarship foundation prior to her retirement in 1953, is to arrive here tomorrow from her home in Santa Cruz, Calif., accompanied by her sister, Miss Agnes Rushfeldt, who also taught at the local high school.

The Rushfeldt sisters plan to spend about a week in Granite City, and will visit in the homes of Mr. and Mrs. Emil Mueller, Edwardsville, Miss Gertrude Thomas, 2547 Cleveland blvd., and Mrs. Ruth Huxel, 2234 Edison avenue.

Monday's appreciation dinner will be held in the Granite City

high school cafeteria, beginning at 6 p.m. Mayor Leonard Davis of Granite City has indicated that he will make a presentation to Miss Rushfeldt during the banquet, and the scholarship foundation also will extend recognition to the local firms and organizations that are members of the "400 Club," and are responsible for the donation of full \$400 scholarships to the foundation.

They are Granite City Steel Co., H. M. Wolfe & Co., the Granite City Rotary Club, General Steel Industries, Inc., the Granite City Elks and the Press-Record.

Tickets for the dinner are on sale at Graham's Book Store, Frank's Card Shop and Boller's Toy & Sporting Goods, and also are being distributed to local service clubs. Toburen said.

"We hope the dinner proceeds will make possible a full scholarship," Toburen said. The foundation's current goal is the award of 25 full scholarships in 1962. Thirteen were given last year.

man, Ann Hancock and John Hancock.

Many gifts were presented to the boys.

PREPARING FOR FOLLIES

Detailed plans are being made by committees of the Madison Junior Service club for the annual benefit follies program May 11 and 12.

This year's production is entitled "The Best of Broadway," and tickets are being sold by the club members at \$1 for adults and 50 cents for all students and children.

Mrs. Vasil Gravelle and Mrs. Janet Lentz are co-chairmen, and committee chairmen include Mrs. Albert Mikolajczak, tickets; Mrs. Marcella Obratovich, posters and publicity; Mrs. Julia Volosky and Mrs. Maxine Simmer, costumes; Mrs. Marie Miller, spotlights; Mrs. Delores Rhoads, records and music; Mrs. Volosky and Miss Jeanette Triani, programs; Mrs. Clenna Vaughn, makeup; Mrs. Kathryn Jones and Mrs. Billie Bower, seating; and Mrs. Mary Stanfill, public address system.

Boys and girls attending were Randy Such, Thomas McVoy, Gary George, David Tutka, Leonard Fowler, Danny Such, Anthony Dezan, Steve Lengyel, Susan Mance, Marie Kozielek, Helen Stajduhar, Judy Pogorelec, Barbara Kowalczyk, Yvonne Romanic, Eugene Kierke, Mary Ann Washenko, Barbara McMullen, Paula Paster, Cheryl Patterson, Raymond and Ronnie Miller, Charles Pogorelec, Janice Piechodinski, Albert Hudzik, Richard Scott, John and Mike Papa, Karen Wambough, Joan Hudzik, Joe and Karen Dobrowalski, Joan Sasyk, Jane Sasyk, Debbie Sue Trotts, Christine Bialczak, Marvin Owea, Allice Siddle, Sam Green, Diane Bard, Linda Ely, Christine Ely, Stanley Sobolewski, Arthur Ratkewicz, John Papa, Frankie Papa, David Timko, James Ditt-

Harry Marshall Named To Kiwanis Club Post

Harry Marshall, principal of Frohardt school, was elected second-vice president of the Granite City Kiwanis Club Monday night to replace Eugene Frey, who was elevated to first vice-president.

The election was held at the club's regular weekly meeting, and was called to fill a vacancy created when Gene Lichter, former manager of the local P. W. Woolworth store who was first vice-president, was transferred to Missouri.

Marshall spoke to the club and described his day at the school, where he said 57 students are crowded into facilities designed to accommodate 650.

That Granite City has a good school system was proved by recent tests which showed local students to rank above the national average, Marshall said. He described the physical education program in the system as especially good.

The principal said 96% of the students at Frohardt eat lunch at the school in the 1½ hour period provided, and 93% have taken the recommended physical examinations.

Growth in the schools creates problems, Marshall said, just as it does in business or industry. There are always some children with emotional problems, some sickness in the school and some traffic problems when busses arrive and parents come for their children.

The new club officer said every effort is being made to utilize existing facilities at Frohardt in the best way possible, and pointed out that the staff has both a speech correctionist and a remedial reading teacher.

A question and answer session followed his talk, after which Joe Aquaviva, inter-club chairman, announced that a joint meeting will be held soon with the Edwardsville club.

Mitchell Kiwanis Club To Buy Children's Crutches

Mitchell Kiwanis Club members Monday night voted to buy a new set of crutches for a Mitchell area child crippled by polio, and to get needed repairs for crutches of another.

The action was taken at the club's regular weekly meeting, with a 6:30 dinner at Smith's Cafe. Eleven members attended.

After the meeting, members joined in to start their newest project, re-decoration of the club room.

"How" Method To Be Explained

Revised Approach To High School English

The question of why many high school graduates have spelling and writing deficiencies may be answered and partially remedied with a special program planned for this summer.

Southern Illinois University and 19 other universities throughout the United States have been selected to explain new high school English curriculum ideas to high school English teachers. SIU can accept 45 and has opened the course to those within a 60-mile radius of Carbondale and a 25-mile area around its southwestern Illinois Campus, including the Quad-Cities.

Basic ingredient of the new plan is described as more "how" and less "what" than has been emphasized in the past. In addition to learning the new system, the teachers will get 12 hours of graduate credit.

Each teacher will receive a \$500 compensation as well, and will be paid for the summer. The principal said 96% of the students at Frohardt eat lunch at the school in the 1½ hour period provided, and 93% have taken the recommended physical examinations.

Merit Scholarship Test To Be Given March 6

All prospective 1963 graduates of Granite City high school who wish to enter the 1962-63 National Merit Scholarship competition may register soon at the school office, Principal Lawrence C. McCauley announced today.

The National Merit Scholarship qualifying test will be given at the school at 9 a.m. Tuesday, March 6. Students who will graduate in 1963 and enter college in the same calendar year are eligible for scholarship consideration in the 1962-63 program.

To receive consideration, the student must take the test when it is offered in his school. Participating students pay a \$1 fee on the day of the test.

Awards in the program are granted on the basis of intellectual merit, but student financial needs determine the amount of individual stipends. The stipends are renewable each year without further testing.

A student's performance on the test also provides him with information useful in career planning or in selecting courses in high school and college, McCauley said. Each participating student receives a folder for comparison with scores of high school students across the country, enabling him to learn more about his educational strengths and weaknesses.

In addition to awards made by the National Merit Scholarship Corp., 13 business foundations and individuals give scholarships through the merit program. Many other scholarship agencies utilize the services of NMSC in awarding their scholarships.

The teachers will meet in workshop session during the institute to iron out the integrated curriculum for use in their schools.

The two-month institute at SIU is part of a nationwide experiment by the College Entrance Examination Board to perfect an integrated English curriculum for high school and college preparatory courses. It will stress fresh ways of approaching literature, language and composition, mainly through a good deal of reading, writing and critical analysis by the teachers themselves.

Later Aid From Consultant
In preparation for several years, the program is being pushed by the College Board's Commission on English, with financial support from a number of private foundations. After the selected teachers learn ground rules, they will work out a related curriculum for their high schools and will get continuous help from an SIU faculty member as a roving consultant.

Examples of the "how" or analytical approach to be followed include:
In literature — The object will be to examine a book's plan and order, and the author's style and technique, not just the plot or "moral" or biographical tidbits about the writer.

As Georgia Winn, SIU professor of English, puts it, "In reading, they will be paying more attention to how the author says what he does. They will read for things like style and technique that make literature what it is, not just the plot or moral, or biographical tidbits about the writer."

English Composition
In composition — Prof. Fred Lingle, who will teach this course, says, "In high school composition courses, there has been such an accretion of rhetorical principles and rules to be

learned that the students get bogged down in them and never really learn how to write."

The teachers will write, and then write some more, attempting to apply modern criticism to the process of writing. In analyzing writing work, the teachers will use the "how" or "inductively" — using their reading experience to reach conclusions about how effects are achieved on paper. The old approach — learning a lot of "composition principles" and then applying them deductively — will be discarded.

"The whole idea is not just another teaching method, but simply learning how to write in terms of a speaker, his audience and what he's trying to say," Lingle explained.

Style, Technique
In language — The emphasis again will be on style and technique, not on rules. Prescriptions, Roy Pickett, in charge of this section, says, "Old teaching methods in grammar have been the impression that there is one correct English. What high school students get is a large number of all the old grammar handbooks."

During the summer, institute participants will attack language phonetically, and train themselves to describe how sentence work by using linguistic techniques, much as foreign languages are described.

"We won't try to take apart a list of sentences, but will look at formulas for sentence structure, and then expand on them. We hope to teach that you can learn good English out of handbooks."

Education Development Tests Planned At GCHS

Tests to provide Granite City high school tenth graders with information needed to make better decisions about high school, college and careers will be given Tuesday, March 6. Principal Lawrence C. McCauley has announced. The battery of educational development tests, known as the National Educational Development Tests, and a \$1 test fee will be charged.

The battery measured each student's ability to apply basic learning skills rather than an ability to memorize particular facts or specific subject matter. Consequently, McCauley noted, the tests help educators identify educational strengths and weaknesses, and help students and parents make a realistic appraisal of educational and vocational objectives.

In 1961, more than 366,000 students in 4972 of the nation's public, private, and parochial high schools took the tests, constructed by Dr. E. F. Lindquist, author of the Iowa Tests of Educational Development.

Prepared and administered by Science Research Associates, a Chicago-based firm serving education, industry and government through applied behavioral sciences, the annual three-hour NEDT yields scores in English, social studies, mathematics, natural sciences and word usage.

Students who take the tests receive score reports which can be used in a Student Profile Leaflet. Each profile indicates how the student compares with thousands of other pupils at his grade level across the country. In addition, each student's principal and counselor are provided with booklets useful in assisting pupils and their parents to interpret the meaning of the test scores.

School Counselors To
Hold Area Meeting
School guidance counselors from the Quad-Cities will be among those attending a dinner meeting at 6 p.m. Monday, Feb. 26, at the Rosewood elementary school, East Alton.

The program, entitled "Trends in Guidance, Counseling and Testing," will be presented jointly by the Madison county school counselors and Illinois Guidance Personnel Association Area 15, which includes Madison, St. Clair and Monroe counties.

County Supt. Wilbur R. L. Trimpe will be chairman, and Joseph Pukach, county guidance coordinator, will preside.

Moderator will be Dr. Robert Zeller, guidance consultant with the Illinois office of public instruction, and the speakers' panel will consist of Dr. Leo Bent of Bradley University, Peoria, Dr. Larry Tallana of Southern Illinois University's Alton center and Dr. Frank Miller of Northwestern University, Evanston.

A question discussion period will follow presentations by the panelists.

GC Fines, Court Costs
Total \$2043 In January
The January report of Police Magistrate Gasparovic, submitted to the Granite City council Monday night showed \$2043 assessed and collected in fines and court costs.

Of the total, \$1024 fines were collected for the month, \$727 court costs, and \$292 in old fines was paid. The report was referred to the comptroller.

Aid Sought To Correct 20th, Madison Hazard

City officers will confer with state highway department officials on correcting a hazardous condition at the 20th street and Madison avenue intersection where large trucks making turns have been running over the sidewalk.

Alderman Ford Johnson reported to the council Monday night that truck wheels are going over the sidewalk because of the narrow traffic lanes created by a median strip on 20th street.

"I saw a truck go two feet onto the sidewalk and several people had to jump back to avoid being hit," Johnson said. The street and alley committee is to point out the hazard to state highway officials at the French Village office and request the situation be corrected.

DAV Installs Newly
Elected Officers
Newly-elected officers were installed by the Disabled American Veterans at a ceremony in connection with a regular meeting Monday evening.

The new officers are Anthony Costa, commander; Paul Cooper, senior vice-commander; William Portwood, junior vice-commander; James Miller, chaplain; and Joseph Hefferty, treasurer.

Announcement was made by the commander of the usual service work for veterans to be continued.

Personal Taxpayer Aid
Available Here Monday
Internal Revenue Service personnel will be at the city hall council room in Granite City Monday from 9 a.m. to 4 p.m. to assist taxpayers in preparation of their 1961 income tax forms.

To complete the local taxpayer assistance program, IRS representatives will be at the same location during the same hours on March 5, 13, 19 and 26, and on April 2, 9, 10 and 16.

An electric dryer
gives you time
for fun

An electric dryer means easier living. You won't be carrying heavy baskets of wash. Or stretching to hang wet clothes. Or waiting for the weather to get better.

And because you're not busy hanging out the wash, you'll have more time to have fun. Time to spend with the kids, to enjoy the out-of-doors, to participate in community affairs.

See the automatic models at your electric appliance dealer's showroom soon. That's where the fun starts!

New Insurance Covers Overseas Investments

Quad-City area companies interested in starting or expanding their foreign trade operations may now be protected against financial losses incurred in their overseas activities by a new government-backed insurance program.

Information on the plan is available from the St. Louis field office of the U. S. Dept. of Commerce, according to A. L. Rascher Jr., office manager. Requests made in person, by mail or by telephone will be filled immediately, he said.

The new insurance protection, which became available to U. S. firms Feb. 5, is provided by the Foreign Credit Insurance Association, a joint undertaking of the federal government's Export-Import Bank and 57 American insurance companies.

Under the new plan, the company is insured by FCIA if foreign purchasers fail to meet their payments, or if payment is prevented by some adverse action of the foreign government.

It is expected to encourage many more American firms to get into the export market, Rascher said.

Advice is like snow; the softer it falls, the longer it dwells upon, and the deeper it sinks into, the mind.

GO TO CHURCH SUNDAY

Open House Sunday At Power Co. Building

Illinois Power Co. will hold an open house at its local service building, 22nd and Adams streets, from 2 to 5 p.m. Sunday.

Displays at the open house will include auto and truck equipment, meter testing and repair, tools of the trade for linemen and gas servicemen and a variety of service materials.

Guides will conduct visitors through the building, describing the steps necessary in bringing electricity and gas to customers, and refreshments will be served.

SIU To Hold Second Industrial Safety Meet

A second annual Industrial Safety Conference will be held at Southern Illinois University Monday 22-23. It was announced today by Dr. James Aaron, coordinator of SIU's Safety Center.

The conference, sponsored by the center, the department of industrial education, the Division of Extension, will be held in the Morris Library auditorium.

Safety engineers, management personnel, plant superintendents and foremen, and others responsible for industrial safety will be invited.

Topics to be discussed for industrial safety will be invited. Topics to be discussed include "Safety Off the Job," "Electrical

Hazards Demonstration," Workmen's Compensation," Public Relations and Safety," and "Principles of Communications and Safety."

Last year, the conference drew 50 persons.

K. M. Jackson Promoted

Kenneth M. Jackson, son of Mr. and Mrs. Burt M. Jackson, of 1704 Venice avenue, was promoted to Chief Aviation Mechanist's Mate, USN, at the squadron's personnel inspection at the Naval Air Station, Barbers Point, Hawaii. He is attached to Fleet Tactical Support Squadron 21 at the air station school.
